

# Young King

**M Walker**

## Young King:

**Henry the Young King, 1155-1183** Matthew Strickland,2016-01-01 This first modern study of Henry the Young King eldest son of Henry II but the least known Plantagenet monarch explores the brief but eventful life of the only English ruler after the Norman Conquest to be created co ruler in his father s lifetime Crowned at fifteen to secure an undisputed succession Henry played a central role in the politics of Henry II s great empire and was hailed as the embodiment of chivalry Yet consistently denied direct rule the Young King was provoked first into heading a major rebellion against his father then to waging a bitter war against his brother Richard for control of Aquitaine dying before reaching the age of thirty having never assumed actual power In this remarkable history Matthew Strickland provides a richly colored portrait of an all but forgotten royal figure tutored by Thomas Becket trained in arms by the great knight William Marshal and incited to rebellion by his mother Eleanor of Aquitaine while using his career to explore the nature of kingship succession dynastic politics and rebellion in twelfth century England and France

**Henry II** Christopher Harper-Bill,Nicholas Vincent,2007 Henry II is the most imposing figure among the medieval kings of England His fiefs domains extended from the Atlantic to the Mediterranean his court was frequented by the greatest thinkers of his time Best known for his dramatic conflicts it was also a crucial period in the evolution of legal governmental institutions
