## **Soviet Journey:**

**A Soviet Journey** Alex La Guma, 1978-01-01      **A Soviet Journey** Alex La Guma, 2017-04-18 In 1978 the South African activist and novelist Alex La Guma 1925 1985 published *A Soviet Journey* a memoir of his travels in the Soviet Union Today it stands as one of the longest and most substantive first hand accounts of the USSR by an African writer La Guma's book is consequently a rare and important document of the anti apartheid struggle and the Cold War period depicting the Soviet model from an African perspective and the specific meaning it held for those envisioning a future South Africa For many members of the African National Congress and the South African Communist Party the Soviet Union represented a political system that had achieved political and economic justice through socialism a point of view that has since been lost with the collapse of the USSR and the end of the Cold War This new edition of *A Soviet Journey* the first since 1978 restores this vision to the historical record highlighting how activist intellectuals like La Guma looked to the Soviet Union as a paradigm of self determination decolonization and postcolonial development The introduction by Christopher J Lee discusses these elements of La Guma's text in addition to situating La Guma more broadly within the intercontinental spaces of the Black Atlantic and an emergent Third World Presenting a more expansive view of African literature and its global intellectual engagements *A Soviet Journey* will be of interest to readers of African fiction and non fiction South African history postcolonial Cold War studies and radical political thought      *Soviet Journey* Louis Fischer, 1935      *Soviet Journey* Louis Fischer, 1973      *Red Odyssey* Marat Akchurin, 2022-11-21 *Red Odyssey* is a travel book written by Marat Akchurin for those who have a passion for reading good adventure and historical fiction Through a kaleidoscope of individual perspectives the author explores and describes the collective historical experience of a multi ethnic and multi confessional nation living in a crumbling totalitarian state *Red Odyssey* is not a political treatise sociological analysis or history book about Central Asia during the former Soviet Union It is rather a tale of adventures of a time traveler trying to survive in a surrealistic society permeated with hypocrisy The ruling regime is captive to its own lies So it falsifies the past it falsifies the present and it falsifies the future Imperial propaganda transforms reality into fiction The goal of *Red Odyssey* is to reverse the fabricated verisimilitude of their false utopia into the harsh truth of reality Akchurin's keen perceptive eye his taste for adventure and his intimate knowledge of this fractured superpower its history cultures legends folklores politics and ethnicities leave no stone unturned in his relentless exploration of places long ignored and misunderstood by the West      **Exiled in East Germany** Sebastian Pampuch, 2024-04-22 The presence of Africans in the German Democratic Republic is very rarely thought of in connection with the experience of exile Instead Africans in the GDR are predominantly viewed through the prism of educational and labor migration While such research has undoubtedly produced valuable insights it often fails to adequately account for the implicit Eurocentrism methodological nationalism and anti communist bias inherent in Western knowledge production This study offers a different approach Through biographical portrayal it unfolds the life stories of

African freedom fighters who lived in exile in the GDR and ultimately remained in reunified Germany with the main case study being a Malawian activist who was expelled from East to West Berlin Recounting his experiences along with those of some South African exiles chief among them a former medical worker for the ANC s armed wing the study ethnographically reconstructs the multiple entanglements between the Second and Third worlds from the vantage point of the politically displaced within the concrete historical contexts of African decolonization the struggle against the Malawian Banda dictatorship and the struggle against South African apartheid *Hearings, Reports and Prints of the Senate Committee on the Judiciary* United States. Congress. Senate. Committee on the Judiciary,1951 **Institute of Pacific Relations** United States. Congress. Senate. Committee on the Judiciary,1951 **Institute of Pacific Relations** United States.
