Soviet Publishing Policy:

Soviet Book Publishing Policy Gregory Walker, 2008-06-26 This book first published in 1978 provides a broad and comprehensive view of the Soviet book publishing industry based on extensive use of Soviet sources and on visits and interviews conducted in the Soviet Union Book publishing is examined both as a manufacturing and distributing industry enmeshed in the machinery of central planning and as a disseminator of ideas influenced and controlled by the organs of government the Communist Party and the censorship A policy approach is used to study the operations and management of the vast Soviet publishing industry examining the complex pressures which affect its administration and the impact those pressures have on books published in the USSR The powers of the Communist Party government ministries and the censorship over the publishing houses are analysed The perspective of the book is wide enough to take in questions about the place of the author in the publishing process and the role played by printing and book selling Attention is paid to the special problems in publishing different types of books fiction textbooks scientific works mass political literature and so on **The Crystallization of Soviet Publishing Policy 1917-1919** Christina Jaremko, 1983 Publishing Policy in Soviet Russia, 1917-1919 Christina I. Jaremko, 1985 Book Diplomacy in the Cultural Cold War, 2025-06-23 Broadly speaking book diplomacy covers the use of books to achieve certain objectives related to the foreign policy interests of a given country usually involving state private partnerships of varying degrees In this volume scholars from different disciplines examine in detail how books functioned as tools of soft power and cultural diplomacy during the cultural Cold War This study also introduces a 10 point typology to examine the many forms and practices of Cold War book diplomacy and the diversity of objectives and outcomes that they involved Looking beyond the Cold War this volume stresses the continuing importance of books as a distinct form of material culture used to convey information around the world Contributors are Tahoor Ali Hanna Blum Deborah Cohn Cile Cottenet Alexander Erokhin Esmaeil Haddadian Moghaddam Musa Igrek Julia Lin Thompson R sa Magn sd ttir Christos Mais Hafiz Abid Masood Mila Milani Birgitte Beck Pristed Giles Scott Smith Iliaria Sicari and Steven W Witt **The Red Pencil** Marianna Tax Choldin, Maurice Friedberg, 2024-11-26 The Red Pencil 1989 examines the many ways in which Soviet censorship interfered in the creative process in the words of those who experienced it first hand It helps to identify the ways in which Soviet artistic and intellectual production was shaped by the practices of Soviet censorship The book goes beyond the simple recounting of banned books and taboo subjects to examine the more subtle issue of how Soviet writers attempted to strike a balance between accommodating the demands of government censorship while retaining for themselves a modicum of unfettered expression and intellectual integrity Most of the contributing authors were active as writers critics editors film and theatre specialists or scientists prior to their departure from the Soviet Union in the 1970s Problems of Communism, 1985 Congressional Record United States.
