## **The Time Traders:**

**The Time Traders** Andre Norton,2011-11-01 Imagine a distant future when the ability to travel through time becomes a central part of each country's national security program That's the premise of this fascinating sci fi novel from author Andre Norton The Time Traders zooms in on one such agent Ross Murdock who is tasked with the challenge of journeying through history to ensure that America gains access to cutting edge space travel technology *The Time Traders* Andre Norton,2024-03-26 Ross Murdock had a choice prison or volunteering for Operation Retrograde He didn't like those choices not at all Unwilling he volunteered to go back in time and become a foot soldier in a Time War It was a choice that would change his life and shape his future It was a war that had to be fought and it had to be won **The Time Traders** Andre Norton,2016-06-12 The Time Traders is the first novel in The Time Traders series by Andre Norton It was first published in 1958 and has been printed in several editions It was updated by Norton in 2000 to account for real world changes It is part of Norton's Forerunner universe The Time Traders introduces the series premise a confrontation between Western heroes and the Reds and a mysterious alien race that has used time travel to alter Earth This novel alternates among the present day a trading tribal society in Britain 2000 B C and a glacial outpost in the last ice age In her Time Trader novels Norton tacitly assumes that the physics of time travel differs so significantly from the physics of space travel especially hyperdrive propelled interstellar flight that a civilization that discovers the technology of one simply will not discover the technology of the other Earth's physicists have discovered the secret of time travel but the engineers and scientists who built and use the time transporters have devised a clever way to obtain the secrets of space travel if we can't discover the secrets for ourselves we will get them from someone who did *The Time Traders* Andre Alice Norton,2017-10-27 Andre Norton weaves another spellbinding science fiction tale that takes place in multiple layers of time and during different periods of history If it is possible to conquer space then perhaps one can also conquer time To test this theory Ross Murdock finds himself transplanted to the North Pole to participate in a top secret project It is suspected that Russian scientists have discovered how to transport themselves back to prehistoric times in order to learn long forgotten secrets A convicted criminal in his own time period Ross becomes a volunteer in the government program that hopes to beat the Russians to the discovery of these scientific secrets Can time travel be artificially created Can people from different time periods be brought forward from the past through the use of technology Perhaps the real question is can they return *The Time Traders* Andre Norton,2020-06-26T17:52:20Z The Time Traders is the first book in Andre Norton's Time Traders series First published in 1958 by World Publishing Co The Time Traders is told from the perspective of Ross Murdock a young criminal faced with a choice be turned over to the new Rehabilitation Service or volunteer for a secret government project Murdock chooses the secret government project hoping for a chance to escape At the Arctic base he learns what the project is and instead of escaping he joins a team posing as Beaker Traders during Europe's Bronze Age His team makes several jumps through time

searching for the source of technology the Reds are using to gain advantages in the present This book is part of the Standard Ebooks project which produces free public domain ebooks *The Time Traders* Andre Norton,2016-01-19 Chapter 1 To anyone who glanced casually inside the detention room the young man sitting there did not seem very formidable In height he might have been a little above average but not enough to make him noticeable His brown hair was cropped conservatively his unlined boy s face was not one to be remembered unless one was observant enough to note those light gray eyes and catch a chilling measuring expression showing now and then for an instant in their depths Neatly and inconspicuously dressed in this last quarter of the twentieth century his like was to be found on any street of the city ten floors below to all outward appearances But that other person under the protective coloring so assiduously cultivated could touch heights of encased and controlled fury which Murdock himself did not understand and was only just learning to use as a weapon against a world he had always found hostile He was aware though he gave no sign of it that a guard was watching him The cop on duty was an old hand he probably expected some reaction other than passive acceptance from the prisoner But he was not going to get it The law had Ross sewed up tight this time Why didn t they get about the business of shipping him off Why had he had that afternoon session with the skull thumper Ross had been on the defensive then and he had not liked it He had given to the other s questions all the attention his shrewd mind could muster but a faint very faint apprehension still clung to the memory of that meeting [The Time Traders](#) Andre Norton,2017-09-27 American scientists are investigating the fact that Russian scientists have discovered how to transport themselves back in time to learn long forgotten secrets of the past That is why young Ross Murdock above average in intelligence but a destructively independent nonconformist finds himself on a clandestine government project at a secret base in the Arctic The very qualities that make him a menace in civilized society are valuable traits in a man who must successfully act the part of a merchant trader of the Beaker people during the Bronze Age When they are transferred by a time machine to the remote Baltic region where the Russian post is located Ross and his partner Ashe are swept into a fantastic action filled adventure involving Russians superstitious prehistoric men and the aliens of a lost galactic civilization that demand every ounce of the Americans courage *The Time Traders* ,2017 The first novel in the classic series in which wars are no longer fought on land in the air or on the sea but throughout time and space itself The never ending tension between Russia and the United States has been escalated by a stunning new variable time travel While the Americans can roughly utilize the technology the Russians have learned the secret of space travel and that makes the US vulnerable What they need is someone expendable to send through time to obtain the same secret Ross Murdock doesn t consider himself expendable He s just a smart guy who made some bad choices that led him to a life of crime But when he s given a choice between medical rehabilitation and joining the mysterious Operation Retrograde he decides to go along with the military option and hope for a chance to get away And he is going to get away farther away than he ever imagined *The Time Traders* is the first book in the *Time Traders* Series but you may enjoy reading the series in any
