## **The Tracker:**

**The Tracker's Field Guide** James Lowery, 2022-09-01 Step richly into the animal world by discovering what their tracks tell you about their purpose mood and individuality Learn to understand an animal's current behavior and choices through the context of its biology and the tracks it leaves behind From decades of field research and teaching tracking to thousands of expert tracker Jim Lowery leads you to confident identification of tracks and into a deeper relationship with animals and their habitat using many examples tips and focused notes written specifically for field exploration This guide features Extensive illustrations and photos of tracks which show you speed movement and behavior Thorough and concise Notes for the Tracker about the biology of each species distilled from nearly a thousand primary sources Track Windows which teach you how to access each species essence through field exploration Clear identification tips to help you make distinction between easily confused tracks and compare tracks of similar species

**The Tracker's Revenge** Ingrid Seymour, They brought death to my doorstep Now I'll bring it to theirs I'm in over my head There is no denying it anymore The Skew war is real and I'm smack in the middle of it Moreover after what they did to my friend there is no getting out of it Anyone who messes with the people I love messes with me and they'll pay for it My new powers are taking shape and I'm willing to learn everything Eric Cross has to teach me to defeat our enemies But when hybrids ambush us we learn Bernadetta Fiore and Stephen Erickson went further than we'd anticipated We thought we'd prevented them from creating the vile monsters but we were wrong and their existence changes everything As if all of this weren't enough Jake and I are still trying to figure out a way to break up his engagement my agency is hanging by a thread and a Midnight Witch has joined our foes My life is chaos Jake and I can't be together Revenge might be all I have left once this is all said and done If you enjoy K F Breene Shannon Mayer Annette Marie and CN Crawford then step into a conspiracy where you don't know whom to trust

**The Tracker's Mate** Ingrid Seymour, Experience this complete bestselling series today He has a secret but when mine is exposed his will look like child's play Two years ago a hot werewolf stole my heart It was bliss until he disappeared like a shadow in the night I picked up the shattered pieces of my soul and opened an agency to use my tracker skills and help others find the love of their lives Oh the irony Then Jake Knight returns determined to drag me into a life of danger A war is brewing between St Louis's vampire and werewolf factions A prominent alpha has been kidnapped and Jake needs me to track him before it's too late Refusing him is easier said than done It turns out Jake is my fated mate and it's impossible to deny him More than that he has a secret and it's the reason he left me Finding out his reasons is enough to tempt me to risk my life and change my peaceful world forever If you enjoy Illona Andrews K F Breene Shannon Mayer Annette Marie Leia Stone or Jaymin Eve then prepare to enjoy a witty and fierce heroine Step into the Mate Tracker Agency and find your soulmate

**The Tracker's Secret** Ingrid Seymour, Everything has changed I'm a Skew a supernatural but what type Ten days ago Jacob Knight waltzed back into my life and screwed it all up Still I helped him track the heir of a powerful werewolf family and that was a win but now I don't know

which way is up My reality has shifted pun intended I m not who I thought I was and the changes are more than I can handle As if that wasn t enough a new drug is ravaging my city including the customers at my mate tracking agency What gives So as I try to come to terms with my new identity and I hide my new secret from the man I love the world around me bursts into chaos and I find myself in the middle of a wide conspiracy where alliances are broken and the things I hold dear and true to my heart turn out to be nothing but lies Will my secret destroy my change of normalcy and happiness with Jake If you enjoy K F Breene Shannon Mayer Annette Marie and CN Crawford then prepare to enjoy a witty heroine and her rekindling romance with a hot werewolf And if you shed a few tears maybe you ll even get a potion to help track your soulmate *The Tracker's Rage* Ingrid Seymour, My tracking powers are changing and I fear what I might become My life has turned into a Mission Impossible flick and my tracking agency is paying the price No matter how hard I try to stay out of the pandemonium unfolding around my city I keep getting pulled into the thick of things So the bills are piling up our reputations hang in the balance and we have no new customers I can almost see the writing on the wall My dream will crash and burn To top it all off my tracking skills are acting up confusing me and throwing me for a loop when I least expect it Despite all of this I can t turn away from the chaos that threatens to turn St Louis into a Skew warzone and I keep getting deeper and deeper into the awful scheme that the power hungry werewolves and vampires that rule the city have concocted And as I become the center of their deranged plot I know I have no other choice but to fight them I just hope I don t lose myself in the process If you enjoy K F Breene Shannon Mayer Annette Marie and CN Crawford then step into a conspiracy where you don t know whom to trust

**The Tracker's Dawn** Ingrid Seymour, The epic conclusion to the Mate Tracker series My best friend is missing and I will bring death to the one who took her My compass is gone Nothing holds meaning anymore and nothing will not until I bring my best friend back home It is all I want to do but there is so much more going on A sadistic Midnight Witch has a secret vendetta against one of the most powerful Skews in St Louis She is mass producing monsters and sending them all over the city to sow chaos As if that wasn t enough to keep her busy she develops a new vendetta against me after I ruin her plans The witch with a b is totally insane and vows to kill everyone I love as payment for my interference She makes good on her promise by going after my family and even my livelihood But when she goes after the man I love things reach a different level of messed up Her magic is powerful but so are my new skills and I will take her down even if I go down with her If you enjoy K F Breene Shannon Mayer Annette Marie and CN Crawford then step into a conspiracy where you don t know whom to trust
