Valkyrie Mandate:

The Valkyrie Mandate Robert Vaughan, 1975 "There It Is": Narratives of the Vietnam War Tom Burns, 2021-09-06 This book provides a critical survey of the literature on the Vietnam War and is intended both for academic and general readers Earlier works of this kind constantly recycled criticism of a half dozen of the same works In this study the aim was to discuss a much greater number of works including a few that have never been discussed To appeal to non academic readers Lit Crit jargon was kept to a minimum and parallels with earlier works of war literature especially those of the two world wars were established

The Valkyrie's Daughter Tiana Warner, 2022-07-26 Paste Magazine Pick for Best New Fantasy Books of July 2022 From the time she was born Sigrid has only ever been ordinary Being paired at birth with a plain horse instead of the powerful winged mare of a valkyrie meant there would be no warrior path for her No riding the skies no glory among the nine worlds Just the simple unremarkable life of a stable hand Everything changes when a terrible enemy ambushes Vanaheim and Sigrid sees a vision of herself atop a mythical stallion leading the valkyries into a harrowing battle Finally she can grab her future with her own two hands and become the hero of her own story if she dares But her destiny is tied up with Mariam a fallen valkyrie who's allied herself with the very enemy Sigrid is trying to stop Now Sigrid has left ordinary behind as she begins a journey with the beautiful if treacherous valkyrie each step bringing her closer to answers and to awakened feelings for Mariam But the life Sigrid left behind is starting to look a lot like paradise especially when her destiny lies in the one place no mortal should tread the gates of Hel The Sigrid and The Valkyries series is best enjoyed in order Reading Order Book 1 The Valkyrie's Daughter Book 2 The Valkyrie's Shadow Book 3 The Valkyrie's Legacy

The Valkyrie Richard Wagner, 1882 The Valkyrie's Shadow Tiana Warner, 2023-07-25 Being both a valkyrie and a princess isn't turning out quite the way Sigrid imagined The other valkyries still treat her like a stable hand Her relationship with Mariam is less long distance and more worlds apart And lately she's been wondering if Sleipnir her new horse isn't making her a little bit well evil But Sigrid's first official valkyrie mission sends ripples through the Nine Worlds She's attracted the wrath of not only the Night Elves but their sinister king who wants nothing more than to bring darkness down on everyone Worse yet Loki might just be interfering with the balance of light and dark When war threatens the shores of Vanaheim and her friends are in danger of being exiled Sigrid makes a deal with the new queen She will ride Sleipnir against their enemies and use his might to defeat them even as he pulls her closer to that line between good and evil What she becomes will either save everyone or unleash disaster upon them all The Sigrid and The Valkyries series is best enjoyed in order Reading Order Book 1 The Valkyrie's Daughter Book 2 The Valkyrie's Shadow Book 3 The Valkyrie's Legacy

The Valkyrie Mandate: The Book That Changed History Robert Vaughan, 2022-04-12 Pulitzer Prize nominated and NYT Bestseller The Valkyrie Mandate tells a gripping unforgettable story of peace and war love and hate and one man's struggle to defend what he knows in his heart to be right Late Summer 1963 Saigon Just behind the barricades that safeguard the Presidential Palace five Buddhist monks

commit suicide by self immolation setting fire to themselves Moments later an anonymous assassin slips inside the palace walls That same night Colonel Doung Commander of the Special Police leads a convoy into Hoa Binh where he sets the village and its sacred Buddhist shrine ablaze and declares martial law A few days later a general dispatched by Washington summons Colonel Justin Barclay for a covert assignment to negotiate and carry out a political coup that could have critical far reaching consequences for both Occupied Vietnam and the United States An American who has lived in the East for better than ten years Justin Barclay holds an exalted position of respect and honor among the Asian community He alone understands the complexities and subtleties of their culture Now he is a man caught in the middle of a deadly conspiracy that will force him to choose and to act For in this fabled exotic land where no one can be trusted and where a people will die to preserve their way of life a diabolical game of cat and mouse is about to be played out on a world stage The target is in place A single act of act of violence stands between peace and war freedom and oppression With his own life and the life of Doung s beautiful brutalized wife at risk Barclay races to stop a deadly plot from igniting and bringing down the free world in flames And when it s over no one and nothing will be the same Denounced as a damned lie by Henry Cabot Lodge
