### **Eco-Innovation and Sustainable Development in Industry 5.0** Atiku, Sulaiman Olusegun, Jeremiah,

Andrew, Semente, Efigenia, Boateng, Frank, 2024-06-05 In the era of Industry 5.0 the world faces a critical juncture where technological advancement collides with escalating socio environmental challenges Climate change energy consumption and threats to public health are exacerbated by the rapid embrace of Industry 4.0 technologies As businesses pursue efficiency the compromise on human and social sustainability becomes inevitable The need for a holistic approach to sustainable development is urgent where economic growth aligns seamlessly with environmental social and human well being Eco

Innovation and Sustainable Development in Industry 5.0 serves as a guide in the pursuit of sustainable development within Industry 5.0. This book dissects the intricate challenges posed by socio-environmental issues and seamlessly offers a multidisciplinary approach to achieving sustainable development goals. The detrimental impact of Industry 4.0 on sustainable development necessitates the paradigm shift proposed within the book. Economic pursuits can no longer overshadow the crucial pillars of human, social, and environmental sustainability. The delicate balance required for a sustainable future is at risk, demanding a multidisciplinary approach to reconcile these seemingly conflicting objectives. This book is a call to action to bridge the knowledge gap and provide tangible solutions for achieving sustainability in Industry 5.0.

Handbook of Research on Retailer-Consumer Relationship Development Musso, Fabio, Druica, Elena, 2014-05-31. Though based on an economic transition, retailer-consumer relationship is also influenced by non-economic factors and is a context of social interaction. With the emergence of modern merchandising techniques and a rise in large retail companies, consumers have become increasingly vigilant of practice within the retail industry. Handbook of Research on Retailer-Consumer Relationship Development offers a complete and updated overview of various perspectives relating to customer relationship management within the retail industry and stimulates the search for greater integration of these views in further research. Offering different angles to analyze the exchange between the retailer and the consumer, this handbook is a valuable tool for professionals and scholars seeking to upgrade their knowledge as well as for upper-level students.
