Roblox Marketplace Guide:

Next Stop Metaverse Ralf T. Kreutzer, Sonja Klose, 2023-05-27 This book initiates the conversation about the metaverse in science and practice What will the metaverse look like What is it about Where do we stand What do we need Where is the journey going To begin with Is the metaverse an idea or a promise Ralf T Kreutzer and Sonja Klose try to make the vision tangible and imaginable As with the Internet it is difficult at this point to predict which developments and technologies will be created and combined by which individuals and companies and in what way The authors take you by the hand and recommend Don't ignore these developments There is no need to make extensive investments in the metaverse today But a few hands on exercises are provided to help you be ready when the bandwagon picks up speed In addition it can help you to gain advantages in employer branding if it becomes visible that you are also dealing with exciting future topics
