199 Treasures of Wisdom on Talking with God Barbour Publishing,2007-01-01 Widely recognized as one of Christendom's foremost authorities on prayer the South African theologian Andrew Murray wrote prolifically on the deeper spiritual life 199 Treasures of Wisdom on Talking to God is drawn from Murray's writings relating to communion with God explaining the what when why and how of prayer **We Talk to God in Prayer** Thomas Schaff,2002-05-09 *Talking to God* Thomas L. Constable,2005-01-13 Why a theology of prayer Because counterfeit prayer abounds we need Scripture's guidance writes Thomas Constable Praying as God desires requires considering what God has revealed about it As we give prayer our careful attention we gain greater understanding of what he intends it to be Constable details the different forms of communication God invites us to use He identifies the counterfeits that pass for prayer discusses the conditional nature of prayer and explains why some prayers seem to go unanswered **Prayer** Esther A. Talking to God Thomas L. Talking with God Sheila Seifert,Beth Naylor,2006-04-21 An all new multi age children's ministry program that will help your kids learn how they can talk with God Talking to God Wayne R. Spear,2002 Author and Seminary professor Wayne Spear teaches that men and women who are in a relationship with their Creator will be men and women who pray He then looks to the Bible for answers about how and why to talk to God **How to Talk to God When He Isn't Talking** Alvin Cordes,2006-01-25 Cordes explains how God wants to be known even by those who are too busy for him or have lost their purpose in life Readers will learn how God has been talking to them without words and how they can carry on a conversation with him **God Is Talking to You** Victor Hill,2019-11-13 God said God speaks The Lord said A voice from heaven

answered From Genesis to Revelation God communicated with His people and He has never stopped God is still speaking today desiring to share His thoughts His wants and His will Years ago people owned transistor radios that required adjusting the needle until it hit the right frequency so they could listen to a program without staticky feedback The cares of this world and our old nature are like that feedback dulling our ears and our eyes But the more time we spend intimately praying and fellowshiping with God the stronger our connection will be to His voice Our hearts and ears will hit the right frequency and we will become tuned to God because we all possess within us the ability to hear Him To hear His voice In God is Talking to You Apostle Victor L Hill desires to help believers pierce through the mysteries that surround hearing God s voice while challenging the concept that hearing God is based on a person s age growth or spiritual development Apostle Hill dispels the belief of God being a distant inaccessible benefactor rather than a benevolent loving Father who longs to spend time communicating with His children whether they have just received the gift of salvation and have started their Christian walk or if they ve been on the road for decades One of the difficulties believers face is embracing the realities of God speaking to us along with fully grasping His yearning to communicate with us Apostle Hill also expounds upon the relationship between God s voice effective prayer and faith as well as how reverence and submission open the believer s heart mind and ears He delves into the role of the Holy Spirit within us who solidifies our place position and even authority in God God is Talking to You is a teaching and anecdotal guide to a more intimate and spiritual connection to our Creator In this season know that as we learn how to hear God s voice the more impact we will make in the earth

You Can Hear the Voice of God Steve Sampson,2015-03-10 When you talk to God do you ever feel as if you are not getting through You re not alone At some point most believers find themselves grappling with difficult questions like Would God really talk to me personally and How do I know it s truly God talking and not my own thoughts But here s the good news Hearing God is simpler than you think It s possible to have a relationship with God that involves both speaking and listening In fact it s God s desire He wants to talk to you In this revised and expanded edition of a classic work author and teacher Steve Sampson shows you how to pray not just wishing you d hear God s voice but expecting to hear it Sampson s uncomplicated practical perspective will help you cultivate the two way conversation with God you ve always longed for Before long you ll hear Him speaking into your circumstances and relationships expressing His love for you and showing you the next steps to take in your life Don t settle for a one sided conversation with God Break through this barrier and develop a sensitive heart that hears and responds to God s still small voice With clarity and humor Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing Bishop Mark J Chironna M A Ph D Church on the Living Edge Orlando Florida *Talking with God* Adam Weber,2018-02-27 Prayer seems like it should be so simple Yet when it comes to actually praying so often it feels awkward and complicated The truth is prayer is simple It s like talking Talking with a good friend Down to earth pastor Adam Weber offers an accessible hopeful approach to one of life s greatest mysteries talking with God Now with a brand new bonus

chapter and in paperback This is a book on prayer for the person who longs to connect with God but doesn't really know how It's a book for the person who has a job family schedule kids deadlines full inbox and a million things to do and yet is curious about prayer and talking with God What does it really look like to pray in the midst of all of life's craziness Let God Talk to You Becky Tirabassi,2010-09 Shows readers how to connect with God in a two way conversation that will satisfy the longing of their souls to know God and be loved by Him **Hearing God in Conversation** Sam Williamson,2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition God is always speaking we've just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God's questions and how to hear God's voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God's guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks *The End of the World* Edward Eggleston,1872 **Outlook and Independent** ,1911 **Bible Lessons for Little Beginners** Mrs. Margaret J. Cushman Haven,1901 **Talks with men, women and children** David Davies,1892 **At Home and Abroad** ,1906 **God the Loving Father** Mary Florence Brown,1922
