Diary of a Tuscan Chef Cesare Casella, Eileen

Daspin, 1998 Cesare Casella s culinary career began at the age of thirteen in the kitchen of his family s restaurant Il Vipore just outside of Lucca in the hills of Tuscany In 1979 he took over the kitchen and in 1993 Il Vipore was awarded its first Michelin star Diary of a Tuscan Chef is not only a book of quintessential and ambrosial Tuscan dishes it is the charming and wittily told story of Casella s journey from that first foray into Il Vipore s kitchen to becoming executive chef at Pino Luongo s famed Coco Pazzo restaurant in New York City Arranged as a series of seasonal menus each one inspired by a colorful anecdote taken from Casella s life Diary of a Tuscan Chef is dedicated to the two most basic tenets of Tuscan cooking seasonality and flexibility Creating the best tastiest most satisfying food from a few fresh seasonally available ingredients is what Tuscan cooking is all about Cesare Casella is a professional chef but these are not restaurant dishes As he so aptly puts it As far as I know no one has written a cookbook for the American public that presents Tuscan food as it is good simple and natural The Tuscan table should be as easy to set in New York as it is in Garfagnana or in Rome Georgia for that matter All of the 150 recipes in Diary of a Tuscan Chef can be made at home with ingredients found in any local supermarket In the end it is Casella himself a wonderful storyteller and a wonderful chef who makes this book unique With his words and the many photographs of him his food and his family the reader will be transported into a world of delicious cooking and delightful company

Best Life magazine empowers men to continually improve their physical emotional and financial well being to better enjoy the most rewarding years of their life Gourmet Pearl Violette Newfield Metzeltin,1999 **Zagat Survey** Zagat Survey (Firm),2000-10 **The publishers weekly** ,1992 **Connecticut and South New York Restaurant Survey, 2001-2002** Zagat Survey,2001-06 **The Best of France - 95-96** Andre Gayot,1995-06 **The Sage Lessons** Catherine Farrell,2020-03-15 In the summer of 1997 I couldn't have been more exhausted from life when I arrived with my family in Florence Italy Before we left California a close friend had recommended a country restaurant outside of the city only known to locals and well worth the visit It was pouring rain when we ventured out of the city in our rented minivan After getting lost on the country roads then bumping and bouncing our way up the long winding paths we found ourselves at the front door of the restaurant We couldn't help but wonder how a restaurant could survive in such a remote spot Yet once out of the car to our surprise the views on the other side of the hill were glorious Unfortunately the restaurant had ended lunch service and the doors were locked At that point we were disappointed freezing and wet To our surprise the chef quietly opened the kitchen relit the fireplace and generously worried about our comfort Then in spite of just finishing a full service he proceeded to cook an incredible meal There were so many courses that we were left in awe Touched by the simple clean flavors and the rustic authentic cuisine we leaned back in our chairs and basked in the surprisingly rich experience The chef sat down with us and we all talked for hours about Italy and food What resulted was a lifelong friendship and many lessons in Tuscan cuisine We knew that we had found something special that others would love to be a part of a secret that the Florentines already knew They would drive for an hour on Sundays to eat at this unspoiled spot This was a find and a food haven We would laugh that year about how we should make a book about the experiences we had in that restaurant We wanted to share the feeling of his cuisine with other food lovers who dream about food as I do **Audrey Gordon's Tuscan Summer** Tom Gleisner,2011-08-01 Join Audrey Gordon voted three times Britain's sternest chef as she travels to the heart of Italy and shares the recipes produce and memories of her Tuscan summer Visit traditional farmhouses local trattorias and sample the stunning range of local produce on offer as Audrey shares the sights sounds and occasionally smells of regional Italy Then sample these delights at home with the range of delicious and easy to make recipes that Audrey inspired by Italian traditions has created for the home cook This book is not directed at celebrity super chefs or haute cuisine high flyers dazzling diners in their Michelin starred restaurants It's written for you the ordinary cook stuck at home with insufficient bench space and a set of chipped mixing bowls My fervent hope is that it will inspire you give you the confidence to believe that you can be a wonderful cook or at very least an adequate one This book is meant as a guide not a set of strict instructions you may only deviate from at your peril There's no need to slavishly follow my every measurement and step Does a violinist playing Beethoven not occasionally add a few notes Or an aircraft pilot about to take off sometimes skip a pre flight safety check or two Of course And so should you I'm a no nonsense chef If a recipe calls for squash and I think thinly sliced

zucchini will work just as well not to mention add a peppery crunch then I'll just do it That's what cooking should be about Going with one's impulses and to hell with the consequences That said I've had years of practice and I simply can't be held responsible for any inevitable disappointment that might arise from your attempts at improvisation If you are a novice in the kitchen I'd strongly urge you to follow my recipes closely And no matter how experienced you might be please pay careful attention to each instruction You'd be amazed at the number of people who read gently simmer and then proceed to simmer gently or who think that there's no real difference between chopping tomatoes roughly and chopping them coarsely At the end of each chapter I've left a page or two for notes If you think you've got something to add that hasn't already been covered perfectly well then feel free to defile the book But I suggest you think twice before doing so Finally this book is not meant to be a monologue I want you to imagine I'm there in the kitchen with you helping guiding prodding and only occasionally wrapping your knuckles with the handle of an egg whisk XXX Audrey
