Sylvie F. Sommerfield, 1981     *Tamara* Dr. Valkyrie Scheidl, 2026-03-19 Love defies gods Destiny forges legends Pain births  
heroes Asgard stands on the brink of annihilation The Bifrost is shattered the gods are powerless and the ancient enemy has  
returned from the shadows In the heart of the storm Commander Tamara warrior strategist and mortal faces a choice that  
will change the fate of realms Bound by a forbidden love to Thor she risks everything for a passion that could destroy her or  
save the universe When betrayal strikes and darkness falls Tamara is cast into a nightmare of torture loss and impossible  
odds Yet even as her body is broken her spirit refuses to yield With the future of Asgard hanging by a thread only the power  
of true love and the courage to defy ancient laws can unlock the strength within her From the ashes of despair rises a new  
legend a woman chosen by Mjolnir reborn to wield the power of gods and destined to challenge the very fabric of tradition  
But as old enemies close in and secrets threaten to tear her world apart Tamara must fight not just for survival but for the  
right to love and for the son who carries the hope of all realms Tamara is different Not forged for conquest not driven by  
hunger for power she carries something far more dangerous compassion empathy and the instinct to protect rather than  
dominate From her earliest days among gods and warriors she senses that strength alone is not enough and that the rigid  
laws of Asgard leave no room for those who do not fit its design As Tamara grows into her power she becomes entangled in  
forces far older and darker than herself When destiny begins to stir and ancient threats awaken Tamara is forced to confront  
what she truly is and what she is willing to sacrifice to remain herself Tamara The Divine Son is the beginning of a sweeping  
epic that blends Norse mythology with science fiction political tension and deeply human emotion It lays the foundation for a  
story about identity choice and the cost of defying worlds built on tradition and fear This first book introduces a universe  
where love is not yet outlawed but where the seeds of intolerance control and violence are already taking root It is a story of  
becoming of a warrior who does not yet know the battles ahead and of a future that will one day demand everything Perfect  
for readers who enjoy Myth inspired science fiction and fantasy Character driven epics with emotional depth Stories about

identity destiny and quiet rebellion The beginning of a long form saga with rising stakes This is not yet a story of war It is the story of how resistance is born
