Target Athena Force:

Moving Target Lori A. May, 2008-01-01 Francesca Thorn is the FBI's best profiler and she's needed to target Athena Academy's most dangerous foe. Getting inside the dark mind of a serial blackmailer is easy. The hard part: Working alongside an irritatingly sexy U.S. Army bodyguard who's shadowing her every move. But as she gets dangerously close to revealing the identity of her alma mater's greatest threat, it seems someone will stop at nothing to ensure she remains dead silent. And her only choice is to accept all the help her personal protector can provide. *In Athena's Camp* John Arquilla, David Ronfeldt, 1997-10-07 The information revolution which is as much an organizational as a technological revolution is transforming the nature of conflict across the spectrum from open warfare to terrorism, crime, and even radical social activism. The era of massed field armies is passing because the new information and communications systems are increasing the lethality of quite small units that can call in deadly precise missile fire almost anywhere anytime. In social conflicts, the Internet and other media are greatly empowering individuals and small groups to influence the behavior of states. Whether in military or social conflicts, all protagonists will soon be developing new doctrines, strategies, and tactics for swarming their opponents with weapons or words as circumstances require. Preparing for conflict in such a world will require shifting to new forms of organization, particularly the versatile, hardy, all-channel network. This shift will prove difficult for states and professional militaries that remain bastions of hierarchy, bound to resist institutional redesign. They will make the shift as they realize that information and knowledge are becoming the key elements of power. This implies, among other things, that Mars, the old brute force god of war, must give way to Athena, the well-armed goddess of wisdom. Accepting Athena as the patroness of this information age represents a first step, not only for preparing for future conflicts but also for preventing them. *Air Corps News Letter*, 1960

Christmas Presence Donna Birdsell, Lisa Childs, Susan Crosby, 2007 NAUGHTY OR NICE Meet three sophisticated women who aren't above a little mischief under the mistletoe to relieve holiday stress. CHRISTMAS PRESENCE Donna Birdsell Young widow Astrid Martin wants to boycott Christmas but her husband's ghost won't let her. Before long she has a tree, even a gift wrapping job at the mall where she meets the man who holds the key to her Christmas future. SECRET SANTA Lisa Childs When Maggie O'Brien receives gifts from a secret Santa, she suspects one of the three men in her life has finally wised up to how special she is. Who's the mystery man: her ex, her boss, or that good-looking car mechanic? Come Christmas morning, will true love be waiting under Maggie's tree? YOU'RE ALL I WANT FOR
