Tarot Cards Derek Johnsen,2018-10-17 Every single Tarot Card is filled with hidden symbols but some of the cards have more symbols than others Some of the symbols appear within a card in one deck but not in others So for your convenience I decided to present the symbol interpretations in two different styles In Part One you will find an alphabetical list of the most important hidden symbols to be found in the cards as well as indicating which cards they can be found on In Part Two you will find each card listed separately with a list of the hidden symbols to be found in that particular card This gives you the choice of looking up a particular symbol to gain an understanding of its meaning or to look up a particular card and read about all of the symbols to be found on that card I hope that this book will help you to develop a deeper understanding of your Tarot Cards which will benefit both you and the sitter

The Symbolism Of The Tarot P. D. Ouspensky,2021-12-24 The Symbolism Of The Tarot P D Ouspensky Pyotr Demianovich Ouspensky was a noted and controversial Russian mystic and esotericist This book describes the mystical symbolism of the Major Arcana of the Tarot These esoteric or divinatory meanings were derived in great part from the writings of the Hermetic Order of the Golden Dawn group of which Ouspenskii had been a member The meanings and many of the illustrations showed the influence of astrology as well as Qabalistic principles Excerpt No study of occult philosophy is possible without an acquaintance with symbolism for if the words occultism and symbolism are correctly used they mean almost one and the same thing Symbolism cannot be learned as one learns to build bridges or speak a foreign language and for the interpretation of symbols a special cast of mind is necessary in addition to knowledge special

faculties the power of creative thought and a developed imagination are required One who understands the use of symbolism in the arts knows in a general way what is meant by occult symbolism But even then a special training of the mind is necessary in order to comprehend the language of the Initiates and to express in this language the intuitions as they arise There are many methods for developing the sense of symbols in those who are striving to understand the hidden forces of Nature and Man and for teaching the fundamental principles as well as the elements of the esoteric language The most synthetic and one of the most interesting of these methods is the Tarot
