## **Using Italian Synonyms:**

**Using Italian Synonyms** Howard Moss, Vanna Motta, 2001-01-18 This book enables students who have already developed a basic competence in Italian to broaden and improve their vocabulary and choose among words with similar meanings It is the first book of Italian synonyms to be produced with the needs of English speakers in mind All entries are accompanied by examples of usage and are graded to indicate their level of formality and there are two indexes allowing users to locate words in Italian or English This is an essential reference for intermediate and advanced students and teachers of Italian

Using Italian J. J. Kinder, V. M. Savini, 2004-07 This 2002 book is a guide to Italian usage for students who have already acquired the basics of the language and wish to extend their knowledge Unlike conventional grammars it gives special attention to those areas of vocabulary and grammar which cause most difficulty to English speakers Careful consideration is given throughout to questions of style register and politeness which are essential to achieving an appropriate level of formality or informality in writing and speech It surveys the contemporary linguistic scene in Italy and gives ample space to the new varieties of Italian that are emerging in modern Italy The influence of the dialects in shaping the development of Italian is also acknowledged Clear readable and easy to consult via its two indexes this is an essential reference for learners seeking access to the finer nuances of the Italian language

**Using Italian Vocabulary** Marcel Danesi, 2003-08-07 Using Italian Vocabulary provides the student of Italian with an in depth structured approach to the learning of vocabulary It can be used for intermediate and advanced undergraduate courses or as a supplementary manual at all levels including elementary level to supplement the study of vocabulary The book is made up of twenty units covering topics that range from clothing and jewellery to politics and environmental issues with each unit consisting of words and phrases that have been organized thematically and according to levels so as to facilitate their acquisition The book will enable students to acquire a comprehensive control of both concrete and abstract vocabulary allowing them to carry out essential communicative and interactional tasks A practical topic based textbook that can be inserted into all types of course syllabi Provides exercises and activities for classroom and self study Answers are provided for a number of exercises

*Using German Vocabulary* Sarah M. B. Fagan, 2004-05-27 This textbook provides a comprehensive and thematically structured vocabulary for students of German Designed for all but the very beginning levels of undergraduate study it offers a broad range of vocabulary and is divided into 20 manageable units dealing with the physical social cultural economic and political world The word lists are graded into three levels that reflect difficulty and likely usefulness and are accompanied by extensive exercises and activities designed to reinforce work done with the lists and to increase students competence in using the vocabulary Suitable for both classroom teaching and private study the exercises also make use of authentic German texts enabling students to work with the vocabulary in context Clearly organized and accessible Using German Vocabulary is designed to meet the needs of a variety of courses at multiple stages of any undergraduate programme

*Using Spanish R.*

E. Batchelor, C. J. Pountain, 2005-09-29 This 2005 book is a guide to Spanish usage for those who have already acquired the basics of the language and wish to extend their knowledge Unlike conventional grammars it focuses on those areas of vocabulary and grammar which cause most difficulty to English speakers It fully illustrates the differences between the Spanish of Spain and Latin America and looks in detail at register variation Complete with a full word index this clear and easy to consult text guides students through the richness and diversity of this major world language This new edition has been extensively revised and updated to take a fuller account of Latin American particularly Mexican usage The vocabulary sections have been significantly expanded and now include examples which contextualize each word or expression The presentation of many sections has been improved to make reference even easier than before and some completely new material has been added on semi technical vocabulary and Anglicisms
