International Organization in the Western Hemisphere John C. Dreier, 1968 Papers presented at the third Maxwell Institute on the United Nations 1966 Observations on Small Economies and Western Hemisphere Economic Integration Organization of American States. Trade Unit, FTAA Working Group on Smaller Economies, 1995 **Services Trade in the Western Hemisphere** Sherry M. Stephenson, 2010-12-01 The services sector including financial services telecommunications transportation tourism and professional services has become critical to the continued economic dynamism in the Americas And the quality and competitiveness of this sector are essential to economic growth and development On average services increasingly traded in more numerous and far reaching ways than goods account for nearly two thirds of the gross domestic product of the Western Hemisphere The importance of the sector however is disproportionately large in Central America and the Caribbean where it often is the major source of employment and of foreign exchange This timely volume is the first to review and analyze trade agreements covering the services sector in the Western Hemisphere and their relationship to the General Agreement on Trade in Services GATS in force since 1995 as an integral part of the World Trade Organization WTO Negotiations on liberalizing services trade are continuing at the multilateral the regional or hemispheric and the subregional levels It is imperative to understand what is being discussed and implemented at these different levels and to articulate the linkages and relationships among the various agreements and the disciplines and obligations they contain Services Trade in the Western Hemisphere informs the reader about these issues and more Part 1 deals with the main issues relevant to the liberalization of services trade at the multilateral and regional levels including improvements to the GATS architecture the scope of regulatory reform the relationship between the treatment of services and investment WTO requirements that must be fulfilled by parties to an economic integration agreement and disagreements brought to the multilateral dispute settlement process Part 2 examines the scope content and liberalizing approach of subregional agreements in the Western Hemisphere such as the North American Free Trade Agreement and those promulgated by the Andean Community as well as several bilateral free trade agreements covering services in particular those signed by Mexico Chile and Central America Part 3 evaluates the extent of liberalization of services trade achieved to date at the multilateral and subregional levels and discusses options for improvements in the context of the ongoing Free Trade Area of the Americas negotiations South American Free Trade Area or Free Trade Area of the Americas? Mario Carranza, 2017-11-22 This title was first published in 2000 This work examines the hemispheric diplomacy after the Summits of the America in Miami December 1994 and Santiago April 1998 focusing on the strengthening of the South American position in the FTAA negotiations and the Brazilian proposal for a South American Free Trade Area SAFTA The book also looks at the implications of the preceding analysis for regional integration theory and international relations theory The conclusion looks beyond open regionalism and considers three scenarios for US South American relations after the Santiago Summit First reassertion of US hegemony and signing of an FTAA agreement on schedule second erosion of US

hegemony but continuing negotiations between North and South America for a distant FTAA and finally breakdown of the FTAA negotiations and emergence of SAFTA as an alternative to the FTAA **Cooperation Or Rivalry?** Shoji Nishijima, 2021-11-28 This book examines two opposing interpretations of NAFTA's potential expansion into a Western Hemisphere Free Trade Association WHFTA one fearing the creation of a deliberately exclusionary Fortress America the other welcoming the prospect of substantial economic opportunities for Asia and the countries of the Pacific Rim Contributors evaluate the commercial financial cultural and political linkages between the Americas and the Pacific Rim assessing the magnitude of interests that might be affected by NAFTA or FTAA Authorities and experts in Japan and other Asian countries have expressed considerable fear that the North American Free Trade Agreement NAFTA and the proposed Free Trade Area of the Americas FTAA will create a Fortress America that will deliberately exclude nations of the Pacific Rim Others argue that economic integration will provide substantial opportunity for Asia Pacific countries and thus contribute to the dynamism of the Pacific Century ahead This book explores the varying interpretations and looks at their implications for countries of the Pacific Rim Might NAFTA provoke the formation of an economic bloc in the Asia Pacific area Or will economic liberalization occur on a global and multilateral scale What are the political dimensions of these possible options and processes Examining the interconnections such policy alternatives may have for both the Pacific Rim and Latin America the contributors evaluate the commercial financial cultural and political linkages between the regions to assess the magnitude of interests that might be affected by NAFTA or FTAA Assessing the range of policy options available to countries involved they seek to make an original contribution to the debate about the formation and structure of the post Cold War world order
