**Before Middle Passage: Translated Portuguese**

**Manuscripts of Atlantic Slave Trading from West Africa to Iberian Territories, 1513-26** Trevor P. Hall,2016-03-09

On the 20th of January 1526 the Santiago left Lisbon bound for Africa with a cargo of brass and tin bracelets round bells barber basins and cloth by early October the ship was back in Portugal with a very different cargo 108 enslaved Africans With chilling detachment the ship s trading log records the commodification of human beings the prices paid for them the sums received for their sale and the number who did not survive the crossing Whilst this log may be extremely rare it is clear from another surviving document the receipt book of the customs office of the Portuguese Cape Verde Islands that such voyages were commonplace in the early years of the sixteenth century The bulk of this volume consists of a translation into English of the receipt book from the customs office of the Cape Verde Islands In it Portuguese customs agents recorded import duties on over 3 000 slaves transported from nearby West Africa in 36 ships The customs officers named the slave traders ships officers crew and outfitters of the ships as well as the price of each slave and the import duty collected by the Portuguese government and the Catholic Church A second section of the customs book provides details of export taxes paid on c 600 African slaves by merchants from Portugal Spain and the Spanish Canary Islands when they exchanged European merchandise for slaves The final chapter of the volume translates the Santiago s log providing an example of an actual slave trading expedition Taken together these documents open a rare window into the workings and scope of the early Atlantic slave trade

Rabinowitz,James Robson,2018-02-05 Looking at sex and sexuality from a variety of historical sociological and theoretical perspectives as represented in a variety of media Sex in Antiquity represents a vibrant picture of the discipline of ancient gender and sexuality studies showcasing the work of leading international scholars as well as that of emerging talents and new voices Sexuality and gender in the ancient world is an area of research that has grown quickly with often sudden shifts in focus and theoretical standpoints This volume contextualises these shifts while putting in place new ideas and avenues of exploration that further develop this lively field or set of disciplines This broad study also includes studies of gender and sexuality in the Ancient Near East which not only provide rich consideration of those areas but also provide a comparative perspective not often found in such collections Sex in Antiquity is a major contribution to the field of ancient gender and sexuality studies

**Recaptured Africans**

Sharla M. Fett,2016-11-23

In the years just before the Civil War during the most intensive phase of American slave trade suppression the U S Navy seized roughly 2 000 enslaved Africans from illegal slave ships and brought them into temporary camps at Key West and Charleston In this study Sharla Fett reconstructs the social world of these recaptives and recounts the relationships they built to survive the holds of slave ships American detention

camps and ultimately a second transatlantic voyage to Liberia Fett also demonstrates how the presence of slave trade refugees in southern ports accelerated heated arguments between divergent antebellum political movements from abolitionist human rights campaigns to slave trade revivalism that used recaptives to support their claims about slavery slave trading and race By focusing on shipmate relations rather than naval exploits or legal trials and by analyzing the experiences of both children and adults of varying African origins Fett provides the first history of U S slave trade suppression centered on recaptive Africans themselves In so doing she examines the state of recaptivity as a distinctive variant of slave trade captivity and situates the recaptives story within the broader diaspora of Liberated Africans throughout the Atlantic world
