Young Children Learning:

Young Children Learning Barbara Tizard, Martin Hughes, 1984 his fascinating account of an unusual research project challenges many assumptions about how young children learn and how best to teach them In particular it turns upside down the commonly held belief that professionals know better than parents how to educate and bring up children and it throws doubt on the theory that working class children underachieve at school because of a language deficit at home *Young Children Learning* Tricia David, 1999-07-27 I particularly enjoyed Judith Roden s chapter Young Children Are Natural Scientists especially her thoughts on children s drawings which puncture some popular assumptions Times Educational Supplement Friday Magazine Tricia David an internationally recognised expert in early years education has brought together 11 tutors from Christ Church College Canterbury to encourage debate and disagreement It has some absorbing and helpful contributions which both bring forward the debate in early years education and also may cause readers to reappraise their own practice possibly as a result of disagreeing with one or other contributors International Journal of Early Years Education

Phonic Reading Book for Young Children ... William L. Robinson, 1876 **The Early Education of Children** Laura L. Plaisted, 1918 Plaisted an experienced teacher discusses educational activities and educational goals for young children which mirror middle class values in the early 20th century The Emergence of Literacy in Young Children with Learning

Disabilities Laura J. Klenk, 1995 **Threads of Thinking** Cathy Nutbrown, 1999-07-23 The focus of *Threads of Thinking* is on children's patterns of learning and thinking particularly schemas. However, the book as a whole is much more than that and provides material for reflection by anyone working with and for young children. Many of the examples discussed are ones considered in the First Edition but the changes Cathy Nutbrown has made throughout the book bring it right up to date including some speculation on the ideas of a Foundation Stage in England. There is much here that is valuable for reading alone but also a lot that could be shared by groups of people including those already working in the field as well as those in training. *International Journal of Early Years Education* *Helping Young Children Learn Language and Literacy* Carol Vukelich, James F. Christie, Billie Enz, 2002 As a resource book designed for teachers of preschool and kindergarten students, the text provides classroom strategies, case studies, classroom management techniques, and home-school connections to facilitate teaching the language arts. Strategies for the bilingual classrooms are also included **Child Study**, 1926
