A Young Person's Guide to Philosophy Jeremy Weate, 1999-01-01 Introduces over twenty five of the world's greatest philosophers and presents a simple version of the tenets of philosophy

Philosophy in Education Jana Mohr Lone, Michael D. Burroughs, 2016-02-11 Philosophy in Education Questioning and Dialog in K 12 Classrooms is a textbook in the fields of pre college philosophy and philosophy of education intended for philosophers and philosophy students K 12 classroom teachers administrators and educators policymakers and pre college practitioners of all kinds The book offers a wealth of practical resources for use in elementary middle school and high school classrooms as well as consideration of many of the broader educational social and political topics in the field including the educational value of pre college philosophy the philosophies of education that inform this philosophical practice and the relevance of pre college philosophy for pressing issues in contemporary education such as education reform child development and prejudice and privilege in classrooms The book includes sections on the expansion of philosophy beyond higher education to pre college populations the importance of wondering questioning and reflection in K 12 education the ways that philosophy is uniquely suited to help students cultivate critical reasoning and independent thinking capacities how to develop classroom communities of philosophical inquiry and their potentially transformative impact on students the cultivation of philosophical sensitivity and positive identity formation in childhood strategies for recognizing and diminishing the impact of social inequalities in classrooms and the relationship between introducing philosophy in schools and education reform

Christian Education and the Emerging Church Rev. Dr. Wendi Sargeant, 2015-07-24 All signs point to Christian education having lost its theological location and prominence in the life of the Western Protestant church The Emerging Church movement as an intentionally postmodern approach to ministry in the contemporary context may however offer insights to reinterpret Christian education This significant movement in today's church gives Christian education a new interpretive framework that is theologically located at an intersection of doxology and doctrine In her examination of postmodern faith formation Wendi Sargeant explores the importance of the Christian worshipping community as the most appropriate setting for Christian education Practitioners and students will benefit from the ready to use teaching and learning matrix and all those with interest in the formation of faith in themselves and others will draw much from the way Sargeant situates worship as the basis for enhancing Christian formation and ethos
