be before ambition turned him into the man who destroyed everything I loved I signed up for a fake marriage I m getting something far more dangerous Marcus says he s changed That therapy and time have made him different That the foundation work we re building together matters more than profit I want to believe him But believing in Marcus Sterling once before nearly destroyed me Now a leaked contract has exposed our arrangement to the world The media is tearing us apart His company is in chaos And I have a choice to make Walk away with my pride intact or fight for a love that started as a lie The problem Somewhere between the charity galas and late night conversations between his quiet acts of kindness and the way he looks at me like I m his whole world I fell in love with my fake husband And now I have to decide if a marriage built on contracts and revenge can become something real Something worth risking everything for Because Marcus Sterling isn t just offering me money anymore He s offering me his heart And this time if I take it and he breaks it again I won t survive
