Acts Judson Edwards,2008 Studying Acts may make readers feel as though they are stepping into a different world a world of miracles a world where God is alive and moving and doing remarkable things How can that world intersect ours How can the old story of people speaking in tongues and raising the dead come alive in a world where no one speaks in tongues and the dead stay dead How can Acts be relevant to our lives and our church In Acts the people who believe in Jesus are filled with the Holy Spirit and set about the business of gathering a community They have to decide how wide their tent is going to be and whom they re going to embrace so they give themselves to the task of breaking down walls Jesus is not just for Jews they decide He s for everyone They launch out spreading the word Paul becomes the focal point of the story and he and his friends move about the ancient world telling all kinds of people the good news about Jesus and his resurrection But there is opposition and Paul is imprisoned He is faithful even there though taking a stand before the government authorities By the time the drama of Acts ends Paul might be confined but his message most assuredly is not The gospel has been unleashed throughout that entire part of the world Gathering a community Breaking down walls Spreading the word Taking a stand These four phrases organize this study of Acts and guide readers through a world alive with God and God s mighty deeds And all of us who have drunk too deeply at the wells of reason and rationality will once again pause to wonder and stand rapt in awe Loving Your Community Stephen Viars,2020-01-21 Are you and your church making a difference in your community Are you meeting needs in a positive proactive and loving way Too often when churches are presented with a need outside their walls they operate on the principle of Say no unless you have to say yes Don t want that to be your church s legacy in your community Drawing on more than 30 years of service to the community surrounding Faith Church in Indiana pastor Stephen Viars shows you how to develop a dynamic giving relationship with your community one in which your natural response to needs is Yes How can we help No matter the size location demographics or issues in your community the approach found in this practical book will help you improve people s lives draw them into productive conversation about the hope you have in Christ and glorify God **Teen-Friendly Systematic Theology** Wayne S.
