Tamaras Prayer:

We Are Not Like Them Christine Pride, Jo Piazza, 2022-08-02 Jen and Riley have been best friends since kindergarten. As adults they remain as close as sisters. But the deep bond they share is severely tested when Jen's husband, a city police officer, is involved in the shooting of an unarmed Black teenager. Six months pregnant, Jen is in free fall as her future husband's freedom and her friendship with Riley are thrown into uncertainty. As the television journalist covering the story, Riley wrestles with the implications of this tragic incident for her Black community, her ambitions, and her relationship with her lifelong friend.

Tamara's Prayer Judi Bland, 2000-12 Kent, a happily single bachelor, finds himself instantly hooked on Julianne and her adorable little girl, Tamara, who has no trouble deciding that Mr. Kent should be her new daddy. Julianne is overwhelmed when Kent pursues her and has difficulty accepting the unfamiliar feelings he's stirred up in her. Unfortunately, Tamara's paternal grandmother doesn't approve, and a court battle for Tamara's custody ensues. Will Julianne have to choose between her newfound love and her child?

The Orange Grove Larry Tremblay, 2016-05-10 The author of *The Bicycle Eater* shares a fluid and troubling fable of brotherhood, tragedy, and the limits of art, written in a subtle and fine poetry. *La Presse* CA. Twin brothers, Amed and Aziz, live in the peaceful shade of their family's orange grove. But when a bomb kills the boys' grandparents, the war that plagues their country changes their lives forever. Blood must repay blood. And in order to avenge their grandparents' deaths, one brother must offer the ultimate sacrifice. Years later, the surviving twin, now a student actor in wintry Montreal, is given a role which forces him to confront the past. Author Larry Tremblay, an actor and director himself, poses the difficult question: can art ever adequately address suffering? Both current and timeless, *The Orange Grove* depicts the haunting inheritance of war and its aftermath.

Moonrisers Jeri Westerson, 2020-03-02 Jeff Chase got caught up in a little supernatural trouble back east a few months back like big time. Getting bitten by the First Werewolf was as big as it gets. After a period of adjustment, he returned back to his own tea and spice shop in Huntington Beach, California, to start life over. But more importantly, he wanted to find others of his kind. After all, werewolves have been around for as long as humans have existed. Surely they're everywhere. Maybe hiding. And then he finds them. But they weren't too happy to be found. Jeff soon discovered that having deep roots in the werewolf community is the only thing that matters to a pack, and he has no pack at all. And to make matters worse, he thinks they're responsible for a string of murders being blamed on a local surf gang. He thought he'd get some help from a local Voodoo coven, and one of them, in particular, is the most beautiful woman he's ever seen. And old Jeff has seen a lot. But he can't reveal his own terrible secret when he learns that werewolves are killed on sight in Haiti, where the Voodoo coven comes from. It's up to Jeff to find a murderer, make a choice between joining a pack and belonging somewhere or falling for a Voodoo witch with deep secrets.

Calypso Sabah Ahsan, 2012-06-18 Calypso was ten years old when she first fell in love. Her and Ariston's love story started on a holiday in France. But circumstances are not on their side, resulting in them drifting apart. Eight years have passed, will destiny let them meet again? Tamara missed Ariston.

The hope of meeting him again is the only thing that keeps her going the thing that stops her from losing her mind Apart from him no one could ever understand what Tamara went through that night not a day goes by without her recollecting her fathers death as they all called it But does she know better Well what if you were the one who witnessed what really happened Is everyone as they seem or is there something more than meets the eye **3 Book Sampler** Jeri Westerson,2022-04-21 A boxed set of unabridged ebooks TWO paranormals and a BONUS medieval mystery Three firsts in their series First up is THE DAEMON DEVICE the first in the Enchanter Chronicles gaslamp steampunk fantasy trilogy with dirigibles chugging through the sooty skies of London a magician with Jewish Romani blood an automaton golems ghosts creatures of Gehenna a shrewd Jewish daemon mad German scientists and a Special Inspector from Scotland Yard who may not be what she seems With illustrations by Robert Carrasco Then the second paranormal MOONRISERS the first in the humorous Moonriser Werewolf Mystery series with Jeff a player and a surfer who has a werewolf problem that involves him with a dangerous surfer gang a Voodoo coven a werewolf pack and murder And then a BONUS The real first in the Crispin Guest Medieval Noir series CUP OF BLOOD Disgraced knight turned detective Crispin Guest finds himself investigating a missing religious relic while eluding the violent overtures of the minions of the French antipope a sultry courtier Knight Templars and a cunning cutpurse *Council's End: Verdan Chronicles: Volume 6* David Gerspach,2016-11-11 Council s End brings to closure the middle arc in the Verdan Chronicles This epic fantasy adventure picks up moments after the chilling conclusion to Against All Gods Tragedy has struck Verdan s heroes and the ramifications will be felt throughout the remainder of the series Izmira is in turmoil and once again the owner of the kingdom s crown is in question Council s End will close an important chapter in Verdan s history It is much more than just an epic struggle between good and evil as those lines are often blurred by the weaknesses inherent within mortals Those that turn to the gods for answers may not like what they find In the end readers will come to fully realize that victory does not come without a cost And not even the prospect of peace can prepare them for what comes next Prayer When You Don't Have the Words Tamara Michelle Dobbs,2024-03-10 Prayer When You Don t Have the Words subtitled I Walked with Jesus is a unique blend of prayer self help and autobiographical of the authors personal spiritual journey She has written stories as to why she wrote prayers for people and events shared the prayer and then created a simple fill in the blank prayer that anyone could use Her written prayers are deeply heartfelt and rich with compassion insight and feeling The book ends with Tamara s experiences with Angels and her Walk with Jesus Russian Literature and Its Demons Pamela Davidson,2000 Merezhkovsky s bold claim that all Russian literature is to a certain degree a struggle with the temptation of demonism is undoubtedly justified And yet despite its evident centrality to Russian culture the unique and fascinating phenomenon of Russian literary demonism has so far received little critical attention This substantial collection fills the gap A comprehensive analytical introduction by the editor is followed by a series of fourteen essays written by eminent scholars in their fields The first part explores the main shaping
