Richmond,2018-09-10 The publication of this work was we might say forced upon us by the demand before even a page of manuscript was prepared for the press The demand was caused by members of the Temple who recognized the necessity of a printed text book from which they could study the meanings of the cards and their indications under the seven planets These brothers and sisters naturally wished to perfect themselves in emblem reading as rapidly as possible and they could not so perfect themselves without a full and complete set of tables that they could study and refer to at will The next trouble that arose was the question of expense as aside from the printing engraving binding electrotyping and matters of that kind the author s time was and is now so valuable that the item far overbalances those mentioned It was finally decided that the most feasible plan was to get out enough copies to supply more than our immediate membership and to sell them to outsiders under certain restrictions      XOYLO - Full Basics and Introduction (Black & White, Low Cost) Steven Giles,2009-04-03 [https sites google com site thexoylo](https://www.google.com/site/thexoylo) This publication contains rituals occultic methods spritual techniques all to help with energy flow control and opening of chakra points Astral travel lucid states shadow people and much more contained Publisher
