Even Me Virgie Marie Wilson, 2022-08-01 75 75 This is a book about a simple housewife mother and grandmother who suffered through tragedy and unexpected events but never gave up her faith or the hope of someday having a life without the threat of losing her life at the hands of the person she spent thirty eight years caring for and loving I plan to write another book soon because I have many events with laughter and humor as well as many other chapters I was not able to include in this book I wanted to get my first book out there as soon as possible so that the readers could get acquainted with me and with the hope that they would request to know more about a person who only thought of herself as a nobody but didn't let her experiences keep her down or destroy her hope I am a seventy five year old who loves to write about the things I see in the world around me and share the good the bad and the ugly side of the life I knew and still enjoy I completed my education and work as an accountant financial advisor but still have time to continue writing religious manuscripts and other religious articles My strength comes when I make time to pray and commune with God as I do on a daily basis When the Spirit speaks to me I learn something new or I am reminded of something I need to write about before I forget If the feeling a writer gets to record what they feel needs to be written down a true writer never fails to stop whatever they are doing even in the middle of the night Sometimes the Spirit keeps speaking while I try to keep up and get it all down Then I read it over and pray God's will over the words His Spirit has given me I am amazed at what God has shown me I have a busy schedule taking care of two teenage girls I have been fostering as their granny nanny since their birth and their dad my employer who calls me mom and treats me like real family is a single business owner I am a grandmother of nineteen grandchildren plus two deceased and twenty one great grandchildren with two deceased at this time as my family continues to grow This book has several chapters about some family events but many chapters will require another book in the future I read a lot and enjoy the testimonies of several popular religious writers My hope is to write

books about the things that will help strengthen and encourage others to find their faith in the living God and listen for His Spirit to speak to them even as He has spoken to me A conversation is always between a person speaking and a listener We must learn to listen to God s voice as He answers our questions just as we would in real time with anyone else He is always there waiting to be asked to come into our lives and be a present active part in all that we do He is not intrusive and respects our privacy and we read His Word to learn what He expects of us The respect I have learned to give the Heavenly Father God Almighty Creator of all and His Son Jesus who died on the cross for all believers keeps me grounded and secure until He returns Until then I will continue to write hoping to help someone along the way find the faith I have found in the one true living God who loves even me **"Even Me"** AWC - All Women Concerned,2010-02-08 What You Lose when You Respond to Ignorance You lose control You lose your good life and place it on hold You lose your focus You lose your peace of mind You lose your temper You lose your smile You lose your self respect You lose respect for others You lose your confidence You lose your potential You lose the ability to solve simple concepts You lose the ability to see a need for change You lose family and friends stress those you love You lose too much time wasting it on ignorance Living Is About Forgiving BE A WINNER Richard M Whitley Sr 2006 Even Me S.
