Frederic Remington and the West Ben Merchant Vorpahl,2014-01-09 Frederic Remington and the West sheds new light on the remarkably complicated and much misunderstood career of Frederic Remington This study of the complex relationship between Remington and the American West focuses on the artist s imagination and how it expressed itself Ben Merchant Vorpahl takes into account all the dimensions of Remington s extensive work from journalism to fiction sculpture and painting He traces the events of Remington s life and makes extensive use of literary and art criticism and nineteenth century American social cultural and military history in interpreting his work Vorpahl reveals Remington as a talented sensitive and sometimes neurotic American whose work reflects with peculiar force the excitement and distress of the period between the Civil War and the Spanish American War Remington was not a western artist in the conventional sense neither was he a historian he lacked the historian s breadth of vision and discipline expressing himself not through analysis but through synthesis Vorpahl shows that even while Remington catered to the sometimes maudlin sometimes jingoistic tastes of his public and his editors his resourceful imagination was at work devising a far more demanding and worthwhile design a composite work executed in prose pictures and bronze This body of work as the author demonstrates demands to be regarded as an interrelated whole Here guilt shame and personal failure are honestly articulated and death itself is confronted as the artist s chief subject Because Remington was so prolific a painter sculptor illustrator and writer and because his subjects techniques and media were so apparently diverse the deeper continuity of his work had not previously been recognized This study is a major contribution to our understanding of an

important American artist In addition Vorpahl illuminates the interplay between history artistic consciousness and the development of America s sense of itself during Remington s lifetime *Finding List of Books Common to the Branches of the Public Library of the City of Boston* Boston Public Library,1920 Classified Catalogue of the Carnegie Library of Pittsburgh, 1895-1902 Carnegie Library of Pittsburgh,1907 **Catarino Garza's Revolution on the Texas-Mexico Border** Elliott Young,2004-07-26 Uses the Garza rebellion on the Texas Mexico border to analyze economic and social change in this region internationalizing U S history with its examination of a transborder area within the larger histories of Mexico and the United States **Classified Catalogue of the Carnegie Library of Pittsburgh** Carnegie Library of Pittsburgh,1907 **The American and English Railroad Cases** ,1901 The South Western Reporter ,1913 Includes the decisions of the Supreme Courts of Missouri Arkansas Tennessee and Texas and Court of Appeals of Kentucky Aug Dec 1886 May Aug 1892 Court of Appeals of Texas Aug 1892 Feb 1893 Jan Feb 1928 Courts of Civil and Criminal Appeals of Texas Apr June 1896 Aug Nov 1907 Court of Appeals of Indian Territory May June 1927 Jan Feb 1928 Courts of Appeals of Missouri and Commission of Appeals of Texas **Century Illustrated Monthly Magazine ...** ,1889 The Century Illustrated Monthly Magazine ,1889 General Catalogue of the Books Except Fiction, French, and German, in the Public Library of Detroit, Mich Detroit Public Library,1894
