What Can She Do:

After All what Can She Do? Margaret Dunning,2011-11-28 Have you ever wondered about the staff in retail stores supermarkets shops or showrooms What are they like What do they actual do Are they any good at their job Here is finally a humorous and witty book that explains the background of such staff Margaret has put together a number of considerably sharp observations in the form of short stories some are rude obnoxious and shocking but mostly very funny The setting is a Conservatory showroom at a Garden Centre in the university town of Cambridge It is run by the national chain of conservatory installers called Conservatories R us or CRUS to the staff The three local staff Josie Gordon and Tracy interacts with and against each other Gordon and Tracy are not concerned with the customers but more with getting to work on time and spending the day how they want to Naturally their home life travels with them to work and their little personal problems soon come to the fore Working for the minimum wage does encourage them to look at the world differently especially if you can find coffee tokens in the bins next door or hear of a better paid job This book provides detailed characters which would be any employer s nightmare They have ended up working in a job which is not ideal for them Gordon and Tracy would rather be at home watching daytime TV or on a nudist beach abroad But Josie drives them forward trying to keep the showroom clean and presentable at all times This turns out to be a nearly impossible task Finally Gordon leaves for a new job which proves to be a disaster and affects the relationship between Tracy and Josie Happily it all turns out well in the end after a bit of a fight well Josie thinks so In amongst all the turmoil is the introduction of a computer and more importantly no training on how to use it Soon Gordon discovers he can look at the risky websites and Tracy finds she can chat all day long by emails to her new friends Who wants to do any work when you can slag off colleagues all day long An enjoyable book funny well written a good read and will keep you smiling from start to finish You will never look at showroom staff the same again ever

saying that his gift is Taekwondo So what is June s gift Before the day is over June listens to some music and discovers her true gift dancing Relieved and excited June can go to bed knowing what she ll share with the class tomorrow Full of heart stunning illustrations and a lesson worth reading again and again June s Gift is a perfect early reader book for toddlers and elementary school students that describes how everyone has special gifts and it s up to that person to discover what it is Author Tracy Madrigal hopes June s Gift serves as more than just a bedtime book for parents and guardians her hope is to create a resource for early childhood teachers to use in their social emotional lessons *The Pillerton Secret* Gayle Siebert,2018-10-12 Her job is going nowhere Her marriage is on the rocks She s at a crossroads in her life and doesn t know what to do about it When her estranged mother passes away Kathy Klein leaves her Vancouver home and returns to the town she left two decades earlier She s planning to stay just long enough to dispose of her mother s personal belongings Then she discovers she is the rightful heir to a valuable property but she ll have to fight a powerful cult to claim it That will take time Another compelling reason to remain is the rekindling of a high school romance that s blooming into a promising relationship Circumstances seem to be contriving to keep her in Pillerton As she settles into the old house long repressed memories begin to surface They re not happy ones Pillerton is a tangled knot of evil secrets and the house she grew up in is in the center of the knot She escaped once It may be too late to escape again **Emily Higgenbotham, The Gift** Jeannette Brown,2019-12-13 Emily Higgenbotham is a very little girl One day Emily decides she wants to give a very important gift to her friends Being so small she wonders how she can really make a difference What special thing can she do so they know how she feels With her mother s help Emily learns the most important gift she can give is of herself **The Silent Highlander** Donna Fletcher,2023-02-09 All is not what it seems Don t trust anyone The warning comes too late for Elysia Alone and frightened Elysia hurries to do as her two sisters urged ask Saber who works one of the crofts to wed her She favors him and believes he feels the same about her His throat is healing from an injury and his voice is slowly returning with her help Elysia is no healer but having helped her sister Bliss the healer of their clan she has a bit of healing knowledge It is the least she can do when her two sisters are sacrificing so much more Annis is off on a mission to see what can be done to save Bliss from a marriage she agreed to so Annis and Elysia would not be forced to wed but will surely be the death of her due to a twenty year old curse A marriage to Saber would keep Elysia safe from those seeking to take advantage of her now that she doesn t have the safety of her sisters To her surprise Saber refuses her offer and to make matters worse the chieftain of the clan presents her with three clan warriors and gives her two weeks to pick one to wed She does not want to wed a warrior She wants a tender and quiet man like Saber not a man who lives by the sword Saber got lost in Elysia s soft green eyes when they first met and she attempted to hide behind him an easy task since she is a wee bit of a thing She has a kind and sweet nature that entices Not able to get her out of his thoughts he seeks her healing skills more often than he should But marriage to her is out of the question He tries to stay away from her but fails Fate or perhaps it is the curse that

and since he was not there she amused herself with mental comparisons not very flattering to the people at hand She could not escape their admiration but it was rather a bore She care to have them stand round her and join her in the street and ask her to drive She enjoy their devotion In idea she belonged to somebody else some time ago now the idea was her own and she cared no more for the rest of the world than if they had been so many lay figures The Family Primes Sparrow,2020-07-29 What would you do if you thought you had everything only to have it ripped away from you and then be forced to have a life you didn t want This is what happens to Gina until she learns she has a destiny brighter than she could ever imagine come on exciting journey through laughter tears love loss and back to happiness once more as long as she can get passed some tough and dangerous hurdles Can she do it
