You Could Call It Murder:

You Could Call It Murder Lawrence Block, 2016-02-07 A missing person case brings private eye Roy Markham to the remote winter bound college town of Cliff s End New Hampshire But what began as a routine investigation quickly becomes dark and dangerous Six pornographic photos and a tidy little blackmail scheme result in a brutal and baffling murder and no one is safe especially Markham himself That s the product description for Blackstone Audio s excellent rendition of You Could Call It Murder expertly voiced by Peter Berkrot and we could leave it at that but there s an interesting backstory to the book and the Classic Crime Library seems a good place to share it with you In 1961 Lawrence Block was living in New York and earning a living writing Midcentury Erotica and crime fiction He d just sold his first book under his own name Grifter s Game to Gold Medal Books They insisted on calling it Mona but the original title s been restored by Hard Case Crime His agent got him an assignment to write a tie in paperback novel for Belmont Books linked to the TV series Markham starring Ray Milland The book turned out well and the young writer s agent felt it was too good to be a Belmont tie in Knox Burger agreed and Block changed the name of the hero from Roy Markham to Ed London and Gold Medal published the book as Death Pulls a Doublecross Another unfortunate title you ll find the book in the Classic Crime Library with the author s original title Coward s Kiss But that left Block owing Belmont a book You Could Call It Murder is what he wrote for them and it turned out fairly nicely as well but his agent sent it to Belmont all the same where they published it as Markham The Case of the Pornographic Photos By the time it came out surprise surprise the TV series was canceled Is everything clear THE CLASSIC CRIME LIBRARY brings together Lawrence Block s early crime novels reformatted and with new uniform cover art **Blind Fate**

Mrs. Alexander, 1890 **It's Called Murder, Brenda. Look It up!** Dakota Cassidy, 2025-08-05 Welcome to my worst effin nightmare The Accidental Detective Agency I m Nina Statleon a vampire with a little bit of witch thrown in for good measure a sucky magicless one if anyone asks for those interested My best friends Marty a werewolf and and Wanda a halvesie have talked me into opening a detective agency for paranormals Let me be real clear I do not want to be a detective and I think this idea is bananapants Now the dungeon in my castle in Long Island is our new office I call the murder basement filled with watercolor landscapes throw rugs and uncomfortable furniture all in the name of making our clients comfortable That said my partners in this new adventure don t care about all my protests That s how we end up with our first client Brenda Bronkowski an older vampire the human police are hunting down for murder Brenda fell for one of the oldest tricks in this new age of technology s book a romance scam Lonely and sad with only her pets for companionship Brenda hooked up with a human a much younger one You guessed it Brenda was catfished Now that much younger human Owen Barker is dead leaving behind a wife and two kids Brenda swears she s never even met him let alone murdered him and she s come to us for help finding the person responsible for his murder Not only is the suspect list low like we only have two there s a glitch and it s a big one The clan They don t like it when a vampire s been accused of murdering a human They take you out ask questions

later Brenda s technically a fugitive we re harboring while we investigate It s bad enough the human police like her for Owen s murder but if the clan finds out we ve got her holed up in the murder basement it won t only be curtains for Brenda our little private investigating gig could be over before it s really begun Which wouldn t exactly be the end of the world for me but my over achieving BFFs would never let me hear the end of it That means we need to solve this pronto so we can get the clan off our backs but more importantly so Brenda doesn t end up expunged
