Working Familys Kitchen Guide:

Working Family's Kitchen Guide Sheila Kennedy, Susan Seidman, 1980 [The Cambridge Handbook of the Global Work-Family Interface](#) Kristen M. Shockley, Winny Shen, Ryan C. Johnson, 2018-04-26 The Cambridge Handbook of the Global Work Family Interface is a response to growing interest in understanding how people manage their work and family lives across the globe Given global and regional differences in cultural values economies and policies and practices research on work family management is not always easily transportable to different contexts Researchers have begun to acknowledge this conducting research in various national settings but the literature lacks a comprehensive source that aims to synthesize the state of knowledge theoretical progression and identification of the most compelling future research ideas within field The Cambridge Handbook of the Global Work Family Interface aims to fill this gap by providing a single source where readers can find not only information about the general state of global work family research but also comprehensive reviews of region specific research It will be of value to researchers graduate students and practitioners of applied and organizational psychology management and family studies [Working Family's Kitchen Guide](#) Kennedy, Sheila, Seidman, Susan, 1980
