Elliott, 2015-12-03 Dr Jeffrey M Elliot and former Rep Mervyn M Dymally here contribute a lengthy revealing interview with Cuban President Fidel Castro discussing a wide ranging series of topics dealing with local and international politics and economics as well as the future of Cuba the third world Central and South America and the United States *Cuba* Deena Stryker, 2016-06-15 *Cuba A Diary of the Revolution* is an inside personal account of the revolution its leaders and the Cuban people Over fifty years ago author Deena Stryker met with Fidel Castro Che Guevara Celia Sanchez and other Cuban revolutionaries *Cuba A Diary of the Revolution* tells the story of those meetings in both words and photographs forming a time capsule of the country in the early 1960s *In Conversation with Fidel* Fidel Castro, Ignacio Ramonet, 2008 **Fidel Castro Handbook** George Galloway, 2006 In the year that Fidel Castro turns eighty this is a fresh look at his life from childhood through his dramatic conquest of power and his extraordinary charismatic leadership of Cuba over forty seven years including sharply focused takes on the guerrilla struggle in the Sierra Maestra life with the Soviet Union involvement in Third World politics and survival in the face of the hostility of the United States just ninety miles away The author has researched archives from Havana London Washington and Madrid and concluded original interviews with Fidel Castro's contemporaries in Cuba and throughout the world that provide fascinating insights into his personality and achievements **The Political Coexistence of the United States with Cuba, 1961-1975** Krzysztof Siwek, 2024-07-17 This book investigates the phenomenon of the political coexistence of the United States with Cuba that developed between the beginning of the John F Kennedy administration and the Cold War détente of the mid 1970s It is revealed that due to the US global commitments related to the Cold War and the risk of confrontation with the Soviet Union the political approach of Washington to the Fidel Castro's Cuba constituted a perpetuated condition of suspense between war and peace Despite the failure of both the US hostile policies and diplomatic dialogue with Castro the mutual tension remained under control of recurrent crisis management course

Ultimately the US attempts to discipline and moderate Cuban policies led to an actual political coexistence between the two countries establishing a long term dynamics of the US attitude toward Cuba for the following decades By combining a historical approach with political and international analysis through broad reference to primary sources the study offers an insightful investigation of the global processes affecting the U S Cuban dynamics of political coexistence This volume will be of great value to those studying American history 20th century history international relations and political science across North America Europe and other parts of the world

**The Cuban Missile Crisis, 1962**, 1990 *Fencing with Fidel and Other Tales of Life in the Foreign Service* John Ferch, 2014-04-11 Fidel Castro described Ambassador John Ferch as very intelligent but dangerous Ferch tell the American people that I m serious he insisted The ambassador was given messages to take back to Washington Ferch the Comandante Fidel wants you to tell the President that we are revolutionaries not narcotraficantes Mr Ambassador you ve got to stop him the Honduran president Scatter my ashes upon the River Plate as a pox forever upon Argentina And so run the misconceptions of American diplomatic power depicted in this hilarious and sometimes serious recounting of 30 years in the Foreign Service From Argentina through Latin America and across to the Caribbean Ambassador Ferch pursued our foreign policy with Latin American society at all levels Attempted bribery by Dominican politicians admissions of inconsistencies by Mexican diplomats evidence of misconstrued machismo dealing with suspicious indigenous peoples both enlivened his days and warmed his heart Fencing with Fidel is not a typical diplomatic memoir While he discusses and explains foreign policy Ferch is more interested in showing the very human aspects of life in the Foreign Service He demonstrates that it is not a craft that you could learn or practice in his home town of Toledo Ohio Both would be entrants to the craft and those interested in how the Latin and the Yankee actually interact on the ground will find Fencing with Fidel enlightening and enjoyable Ferch uses his career to explore the culture of Latin America and to explain the unusual pressures under which our diplomats work Most episodes are treated lightly and with humor because he found the Foreign Service rewarding and enjoyable Some are handled more seriously befitting the policy difficulties he faced The book also stresses the important and difficult role played by spouses in a Foreign Service career
