With Mallets Aforethought:

Mallets Aforethought Sarah Graves, 2004-03-02 Jacobia Jake Tiptree left her high powered career for a dilapidated fixer upper and the dream of a quiet existence in the quaint town of Eastport Maine But she found that no matter how carefully you remodel your life murder can take up residence anywhere It s Eastport s most notorious landmark the old Harlequin House Named for the disgraced physician Chester Harlequin it was used as a hideout for gunshot gangsters and their molls during Prohibition s heyday Now fixer upper enthusiast Jake Tiptree and Harlequin s only living descendant Ellie White are refurbishing the mansard roofed mansion to host the local Historical Society s upcoming gala But when stripping down old wallpaper reveals a secret door to a room containing not one but two corpses Jake and Ellie once again find home repair leading to homicide One of the bodies is a skeleton dressed in 1920s flapper chic But the other is that of real estate mogul Hector Gosling and in his pocket is a paper bearing the single word Guilty The less than scrupulous tycoon has been poisoned and when it s learned that the offending substance is the poison that Ellie s husband George has been using to kill red ants he is immediately taken into custody Then it develops that George had recently accused Gosling of a scheme to scam George s vulnerable old aunt out of her life savings and George out of his inheritance With George held for murder Jake and a pregnant Ellie swing into action In between Ellie s Lamaze sessions baby showers and CPR classes taught by Jake s ex husband Victor the two amateur sleuths must sift their way through a trail of seemingly contradictory clues Then another corpse surfaces and suddenly Jake and Ellie realize they must find this killer fast A clever culprit is not only building an airtight case against Ellie s husband He or she is planning to nail everyone who stands in the way *With Mallets*

Aforethought Brian Johnston, 1995 A millionaire is murdered while constructing a historic village in Longmeadow New York and there are plenty of suspects including his children annoyed that he was squandering money Architectural historian Winston Wye investigates With illustrations by the author of *The Gift Horse Murders* **Mallets Aforethought** Sarah Graves, 2004 Now fixer upper enthusiast Jake Tiptree and Harlequin s only living descendant Ellie White are refurbishing the mansard roofed mansion to host the local Historical Society s upcoming gala But when stripping down old wallpaper reveals a secret door to a room containing not one but two corpses Jake and Ellie once again find home repair leading to homicide

Lestrade and the Devil's Own M. J. Trow, 2022-01-08 Book fourteen in the Inspector Lestrade series From his brimstone bed at the break of day A walking the Devil is gone To visit his snug little farm the earth And see how his stock goes on Coleridge and Southey Sholto Joseph Lestrade I am arresting you on suspicion of the murder of Mrs Millicent Millichip on January 13th last in the City of Westminster Lestrade had never been arrested before Neither had he faced the drop But when a woman died in his arms in the middle of a London pea souper the Fates were stacked against him Millicent Millichip as it turned out was not the only victim in a series of murders where the only clue was the Devil s calling card And the Devil struck in such diverse places as the croquet lawn of Castle Drogo the theatre of war games on Hounslow Heath and the

offices of Messrs Constable publishers extraordinary in Orange Street The condemned cell at Pentonville is a lonely place even for a man with a loving family and powerful friends But are they powerful enough *Unhinged* Sarah Graves,2003-11-04 Once a Wall Street hotshot Jacobia Jake Tiptree chucked it all for a charmingly dilapidated fixer upper in the tiny town of Eastport Maine She was certain she'd left the dangers of city life behind until she discovered that no place no matter how idyllic and peaceful it may appear is safe from murder It began with the mysterious disappearance of Harriet Hollingsworth Eastport's snoopiest resident Everyone is convinced the old busybody bolted out of town to escape her creditor everyone except Jake and her best friend Ellie who know Harriet would never leave home without her most prized possession But before Jake and Ellie can persuade police chief Bob Arnold to open an investigation they'll need to come up with proof more sinister than a pair of abandoned binoculars Just as Jake starts poking around for clues things suddenly take a troubling turn for the worse A suspicious accident nearly kills her teenaged son Sam and her husband Wade just misses getting his head blown off Jake is prepared to attribute these incidents to a spate of bad luck until another accident leaves a visitor to Eastport unmistakably dead Most perplexing all this mayhem coincides with the unexpected arrival of a man from Jake's past a former New York City cop Harry Markle claims he has unintentionally brought an unwelcome guest into Eastport a crook determined to knock off everyone with ties to Harry Twenty four hours ago Jake's only worry was fixing her broken down gutters and downspouts before the big storm swept into town Now everything seems to be falling apart all around her Jake knows from experience that the truth is usually as messy and complicated as do it yourself remodeling As it becomes chillingly clear that appearances in this quaint community are more misleading than ever she'll have to find a way to lure a homicidal maniac into the light before he nails another victim *Greatest Poems On Planet Earth in the 21st Century* Douglas Gilbert,2017-09-11 These are the greatest Earth poems of the Early 21st Century as determined by The League The most obscure fictional critics who have appeared in the pages of the Great Space Alien Novels of yore have in their machinations also lent tacit ephemeral imaginary praise to this magnificent tome of verse Alice says strat tea tackfully every poem must have a pie thrown at it to lend it color and flavor but there are rumbles in the world where every blade of grass cries and as we run through it it tries to comb the hair of our sorrows By the Poet Laureate of the Primitive Planets Milky Way Division Category 15297xt7388 Recommended study manual for the curriculum of the Backward Planet Studies Department of the League of Benevolent Galaxies *Goldmine Record Album Price Guide* Martin Popoff,2009-09-08 Whether you're cleaning out a closet basement or attic full of records or you're searching for hidden gems to build your collection you can depend on *Goldmine Record Album Price Guide* to help you accurately identify and appraise your records in order to get the best price Knowledge is power so power up with *Goldmine* 70 000 vinyl LPs from 1948 to present Hundreds of new artists Detailed listings with current values Various artist collections and original cast recordings from movies televisions and Broadway 400 photos Updated state of the market reports New feature articles Advice on buying and

Hebblethwaite* Dodo pseud,1901 Nail Biter Sarah Graves,2006-10-31 Jacobia Jake Tiptree took the dangerous plunge from Wall Street power broker to homeowner Now the do it yourself enthusiast is about to discover that her own dream house is built on a foundation of murder Buying a beachfront fixer upper to lease out to Eastport Maine s burgeoning tourist crowd seems like a good idea to Jake Tiptree and her best friend Ellie White But working double time as landladies to a coven of wannabe witches isn t what they had in mind And it only gets worse when Jake is called out one stormy night to make a repair and stumbles on a dead body in the utility shed A small time thief and street preacher with a particularly violent message the deceased was no favorite of Jake s nor of anyone else in Eastport But what s he doing shot to death on Jake s property Jake s bewitching tenants including an ex cop a con man and a mute teenage girl claim to have been too busy conjuring spells to have heard or seen a thing Then a member of the coven disappears without a trace and Jake doesn t think it s a case of witchcraft but a kidnapping or worse Scandal secrets and a mysterious box buried deep in the

foundation of her own home are just the beginning of a mystery that threatens to bring Jake s house and life crashing down Now she and Ellie are racing to find a missing girl who may be the key to it all or lead them to a killer holding the final nails to their coffins Praise for the Home Repair Is Homicide Mysteries of Sarah Graves Anyone who can mix slaughter and screwdrivers is a genius Plus anyone who has bought a home that needs even a new toilet seat is probably consumed with murderous thoughts Boston Herald Like the old Victorian homes she describes Graves stories seem to grow better with the passing of time Readers who enjoy solving mysteries and fixing up older homes will appreciate Jake s do it yourself expertise in both areas Booklist A sleuth as tough as the nails she drives into the walls of her 1823 Federal home enhances a clever plot which comes to an unexpected and explosive conclusion Many will relish the vividly described Down East setting but for anyone who s ever enjoyed making a home repair it s the accurate details of the restoration of Jake s old house that will appeal Publishers Weekly Think Diane Mott Davidson with a tool belt instead of recipes Denver Post Lippincott's Magazine of Literature, Science and Education ,1915 **Host Bibliographic Record for Boundwith Item Barcode 30112114734418 and Others** ,1912 **The Armchair Detective** ,1996 *Punch* ,1931 Percussive Notes ,2001 Ellery Queen's Mystery Magazine ,1981 **Road and Track** ,1994
