Quarterly Essay 51 The Prince David Marr,2013-09-21 The leading Catholic in the nation and spiritual adviser to Tony Abbott Cardinal George Pell has played a key role in the greatest challenge to face his church for centuries the scandal of child sex abuse by priests In *The Prince* David Marr investigates the man and his career how did he rise through the ranks What does he stand for How does he wield his authority How much has he shaped his church and Australia How has he handled the scandal Marr reveals a cleric at ease with power and aggressive in asserting the prerogatives of the Vatican His account of Pell s career focuses on his response as a man a priest an archbishop and prince of the church to the scandal that has engulfed the Catholic world in the last thirty years This is the story of a cleric slow to see what was happening around him torn by the contest between his church and its victims and slow to realise that the Catholic Church cannot in the end escape secular scrutiny *The Prince* is an arresting portrait of faith loyalty and ambition set against a backdrop of terrible suffering and an ancient institution in turmoil He knows children have been wrecked He apologises again and again He even sees that the hostility of the press he so deploras has helped the church face the scandal What he doesn t get is the hostility to the church Whatever else he believes in Pell has profound faith in the Catholic Church He guards it with his life Nations come and go but the church remains David Marr *The Prince* Pius XI and America Charles R. Gallagher,David I. Kertzer,Alberto Melloni,2012 The Vatican s opening of its archives in 2006 for the period of the papacy of Pius XI 1922 1939 has prompted a burst of historical research which is not only shedding new light on the role of the Holy See and the Church in this period of extraordinary political and social turmoil but also on some of the major world events of this period In 2008 a number of institutions created a research network bringing together scholars from different countries who are working in these archives and highlighting its emerging work to the broader scholarly community This book represents the proceedings from a conference of this research network held in Providence Rhode Island at the Brown University in October 2010 Series Christianity and History Series of the John XXIII Foundation for Religious Studies in Bologna Vol 11 As the essays reveal such a historic decision will impact the way that scholars interpret modern church history for years to come Yet as coeditor Charles Gallagher S J reminds us in his introduction the opening will also allow scholars to uncover a history which is not only papal but political cultural economic and global p 17 *The Catholic Historical Review* Vol 100 No 2 Spring 2014 **The**

The Pope Was Poisoned Chicago criminal attorney Michael Prescott is on holiday in Rome and visits with his best friend Monsignor Robert Cavalieri a Special Diplomat to the Vatican He is informed by Fr Rob that Giovanni Cardinal Masellis the Mafia Cardinal who was once considered the most evil and influential cardinals at the Vatican in his day has made a deathbed confession to him before his passing as to the details of the death and poisoning murder of Pope John Paul I Masellis confesses to also spearheading the massive cover up surrounding the pope's poisoning death in September 1978 Unfortunately his confession is secretly recorded by the Italian newspaper La Repubblica and their ambitious editor Max Gianforte He desperately tries to find other sources within the Vatican to confirm the Cardinal's deathbed revelations The Vatican is now concerned over the effects such media disclosure will have on the reputation of the Catholic Church Almost forty years after the mysterious death of the pope the Vatican is imbued with the various documents and specific details regarding the circumstances of his death especially the missing Coins of Gregorio a priceless gift donated by an influential Italian mobster Don Giancarlo Cesario the night before Pope John Paul I's murder The gift was an attempt to bribe and influence His Holiness in the Vatican investigation into the Banco Ambrosiano scandal for which the Cesario Family and Cardinal Masellis was significantly involved Meanwhile wine master Marco DiVito the former Vatican head of security and a distant cousin of the Cesario Family now oversees his vineyard near the foothills of Rome He is nervous and apprehensive over meeting his long lost daughter Sienna DiVito She is a prominent investigative journalist with the Washington Post and DiVito abandoned her as a little girl in Boston over twenty years ago The Post has asked her to investigate one of the biggest stories to come out of the Vatican in decades Michael meets Sienna after losing his wallet at the Caf Michelangelo in Rome and after a few chance meetings they begin a relationship They set in motion their investigative search together into the certainty of Masellis's deathbed revelations but Michael never reveals his relationship with the Vatican He tries to temper her investigative efforts in discovering the truth of the Pope John Paul I's death As rumors swirl around Rome after the death of Cardinal Masellis Italian crime boss Calogero Don Charlie Cesario believes that the actual murderer also possesses these missing priceless coins The crime family is also unhappy with the La Repubblica and their intention to insinuate their family's involvement in the beloved Pope's poisoning death He points his suspicions towards DiVito and threatens him to either return the missing coins to the crime family or there will be dire consequences towards him and his beloved daughter These revelations of the Vatican's most corrupt Cardinal and the Mafia's search for the return of their missing heirloom coins threaten the lives of Michael and Sienna and their investigative search reveals the total corruption and instability of the Vatican and the Roman Catholic Church
