Wisdom Within:

Bowing to Our Divine Essence, Within And Suppressing aspects of our ego-mind That impedes our Divine connection Barbara Johnston,2025-02-11 The purpose of this book is to encourage us all to develop within the ability to distinguish between our Divine voice and that of our ego In doing so we will become inspired through our Divine wisdom to navigate life with clarity that frees us of inner conflict and allows us to embrace our strengths and weaknesses We all have a quiet Divine essence within that is often dominated by the noisy aspirations of our ego mind Yet life for us all would be entirely different if we all made a point daily of living life through our Divine lens Bowing to the Divine essence within allows our awareness merge into the sacred core of our being to discover our Divine nature It is in this sacred space that we are able to reawaken our inner wisdom We then experience life through our Divine lens and we will never view our earthly life the same again even after painful moments We step into our inner power and it is not about averting painful emotions but rather seeing all from a higher perspective Even though our Divine essence is not visible and is buried in the recesses of our being it is vividly present within us all and vibrates at an authentic higher reality Until we connect and sense it within we will not clearly understand who we are and who we are not This is not a complicated path and does not require adherence to any particular practice or organisation It is not an intellectual journey of our mind and it is not based on any religion philosophy or belief It s a simple one that is inherent within us all One that moves us into a higher consciousness and enriches our life through our journey of self discovery self understanding and spiritual inspiration *Songs of God's Grace* M.
