The Back Nine:

Golf and the Spirit M. Scott Peck, 2000 Discusses what golf can teach about some of life's most important lessons including how to work through anger, accept the gift of humility, and change ingrained behavior *The Complete Book of Golf Games* Scott Johnston, 1999-09-28 Thanks to *The Complete Book of Golf Games* if you can't make par, you can at least make a few bucks FairWays to Leadership® Eric Boyd, Anna Alvarez Boyd, 2024-01-01 A guidebook for developing your leadership and networking skills through golf. Access to the game of golf opens doors to business opportunities for professional development and builds leadership skills. Unfortunately, this access has often been limited to those with club memberships or experience with the game, those privy to the rules, both spoken and unspoken. *FairWays to Leadership* teaches both advanced and novice golfers how to navigate a round of golf using six key leadership traits: curiosity, adaptability, empowerment, integrity, mindfulness, and strategy at various leadership moments on the golf course. Readers learn how to play the game and how to develop leadership skills and expand business networks through the interaction that golf provides. Readers will be better equipped to advance their professional careers by practicing the strategies and techniques revealed in *FairWays to Leadership*. The book can also be used as a text in corporate leadership training and in diversity, equity, and inclusion programs. Maryvale Golf Course William Godfrey, 2010-10-21 On April 15, 2011, the Maryvale Golf Course celebrates its Golden Anniversary. Opening Day at Maryvale was a well-chronicled event in the newspapers of the day. The book first takes you on a look back to April 15, 1961, and provides the stories of two individuals who were key participants at that glorious event. Within its fifty years, the golf course has been a second home to many golfers passionate about the game. These difference makers share their memories of the fabled fairways of Maryvale. The west side course was host to major golf events highlighted by the Don Sanderson Ford Invitational and Johnny Miller Pro-Am. These events showcased Arizona's best golfers. William Godfrey takes you on a special five-decade journey and introduces you to the people and events that shaped its history and those who will impact its future. This is his second book. Here is what others said about his first book, *Papago Park: The Golf Course and its History*. It's truly a book that everyone who lives in the Valley and plays golf at Papago should read. Great work; it will be in my possession forever. Terry Beels, 1968 Papago Club Champion. It is one of the greatest short story books; it is an outstanding read. Greg Ellis, PGA host of Bunker to Bunker, KTAR AM radio. Will Godfrey's wonderful book captures the story, humanism, and feel of Papago's past, present, and future. It is great reading for any lover of the game. Peter Longo, PGA Professional and International trick shot artist. If you've ever experienced Papago, whether as an Arizonan or visitor, I recommend this addition to your golf library. It will certainly become a part of Arizona's golf literary history. Forrest Richardson, golf course architect and author. **GOLFING IN IRELAND** Robert Armstrong, 2007-04-30 Unlike many other books written by American writers for an American market, *Golfing in Ireland* is notable in that real understanding, humor, and irreverence are key to the visitor being told exactly what they need to know. The Kerryman, Ireland is Europe's hottest

golfing destination and one of the most popular golf venues for Americans eager to sample the fabled links Author Rob Armstrong predicted the Irish golf boom in the first edition of *Golfing in Ireland* in the third he revisits old courses that have undergone revision or expansion and uncovers the best of Ireland's new courses In his crisp irreverent style he also points out those courses that have not stood up those that have been poorly maintained or managed and those that have simply proved disappointing Profiled in this edition are the magnificent Old Head Golf Club in County Cork one of the most exciting new golf courses in the world the extraordinarily beautiful new Ring of Kerry Golf and Country Club in County Kerry that overlooks Kenmare Bay and the expanded golf complex at Ballyliffin in County Donegal He also reviews several new hotels and restaurants that cater to golfers and are near some of Ireland's best courses Armstrong's travel tips include a discussion of the Euro which will soon become the unit of currency in the Irish Republic and a warning about the proliferation of Irish golf tours

My Back Nine Tony Caico, 2010-12 After riding the gravy train for more than ten years in the mortgage banking industry author Tony Caico's industry and his life met at an intersection and crashed His worth was so closely tied to what he did for a living that he no longer knew who he was After some careful soul searching his healing began and he put his life back on track Using the back nine holes of a golf course as a guide Caico uses his experiences to help others analyze what they need to do better to truly enjoy the second half of their lives Each golf hole represents one of the following nine key life components family health and wellness knowledge career spirituality leadership relationships self improvement and happiness In *My Back Nine* Caico synthesizes current thinking and research on careers evaluating strengths and formulating life plans to offer a guide to making changes for the better The essential qualities needed for success in golf preparation focus patience discipline integrity and honesty are the same qualities necessary to be successful in life *My Back Nine* shows how both life and sports can often create real winners on and off the playing field
