The Interpretation of The Meaning of The Holy Quran Volume 64 - Surah Ad-Dukhan, Surah Al-Jathiyah Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin

Willing Surrender Carrie Hogle,2016-12-30 Reina is a successful graphic artist that locks out the world and hides in her work The two things she loves most are her best friend and coffee She's comfortable in her personal space and the last thing she's prepared for is a man that tears down her walls and pushes her boundaries Can she emotionally handle the intensity James brings to her life James is a successful actor He can have anyone he wants until he meets Reina She fires all of his dominating instincts and her walls hide a need for submission that she isn't aware of He's determined to make her his but getting past her defenses could be an entirely different matter The first step to submission is emotional surrender Can he coax her into willing surrender or will fear and insecurities get in the way This is a complete standalone story Contains an alpha male explicit sex light bondage witty banter lifelong friendships plenty of coffee **Practical Sufism** Phillip Gowins,2012-12-19 This wise funny and compassionate book follows Gowins apprenticeship with Pir Vilayat Inayat Khan spiritual leader of the Sufi Order International Until now Pir Vilayat's order has not had a strong accessible introduction This book not only provides that service but is more down to earth than most books on Sufism It also has the advantage of being

universalistic The Sufi Way is not a religion or a component of a religion but the heart of all religions and spiritualities Gowins says Because it is non dogmatic and offers no catechisms or creeds its teachers are essential Gowins emerges as a superb teacher offering a user friendly guide to the Sufi Way that is at once valuable to any seeker entering any spiritual path Gowins is quick to emphasize that Sufism is not the only path or even the right path for everyone His approach is full of engaging stories and specific practices that could be helpful in many circumstances Readers will benefit from his gentle Sufi teachings of love tolerance unity and consciousness no matter what their chosen path **Unconditional Equality** Ajay Skaria,2016-02-08 Unconditional Equality examines Mahatma Gandhi s critique of liberal ideas of freedom and equality and his own practice of a freedom and equality organized around religion It reconceives satyagraha passive resistance as a politics that strives for the absolute equality of all beings Liberal traditions usually affirm an abstract equality centered on some form of autonomy the Kantian term for the everyday sovereignty that rational beings exercise by granting themselves universal law But for Gandhi such equality is an equality of sword profoundly violent not only because it excludes those presumed to lack reason such as animals or the colonized but also because those included lose the power to love which requires the surrender of autonomy or more broadly sovereignty Gandhi professes instead a politics organized around dharma or religion For him there can be no politics without religion This religion involves self surrender a freely offered surrender of autonomy and everyday sovereignty For Gandhi the religion that stays in all religions is satyagraha the agraha insistence on or of satya being or truth Ajay Skaria argues that conceptually satyagraha insists on equality without exception of all humans animals and things This cannot be understood in terms of sovereignty it must be an equality of the minor
