web mar 4 2022 the virtual lab activity on gas properties aims to describe the relationships of the different gas properties such as pressure volume temperature and amount of a substance to each other subject

phet simulation gas properties aapt - Apr 08 2023

web aug 18 2016 this simulation provides an interactive simulation of an ideal gas users can change the number of gas molecules in a chamber change the volume add remove heat and change gravity users can explore the relationship between changes in kinetic energy of the gas molecules and heat
