## **The Fighting Nun:**

The Fighting Nun Margherita Marchione,2000 It humorously reveals why she has been called the independent nun flying nun whirlwind nun literary nun feisty nun and more recently the defender of Pope Pius XII This volume describes both her happy and difficult times up to the period of her bitter confrontation with John Cornwell author of Hitler s Pope The Secret History of Pius XII the book that unjustly condemns Pope Pius XII s so called silence during the Holocaust BOOK JACKET

**A Century of Italian War Narratives** ,2023-06-12 This volume focuses on acts of courage defiance and sacrifice undertaken during World War I and II by individuals that mainstream history has relegated to the sidelines Drawn from different genres literary cinematic diaristic and historical the experiences that these outsiders confronted lay bare the intimate if lacerating choices that they faced in their struggle for freedom Ignored by official history the testimonials that war prisoners female partisan leaders spies deserters and disillusioned soldiers offer provide a fresh insight into the social political historical and ethical contradictions that define warfare rhetoric in the twentieth century The book s ten contributors delve into the conflicts between oppressive authorities and the desire for freedom With verve and energy they revive these largely neglected voices and turn them into a provocative medium to discuss and redefine issues still relevant today heroism pacifism national pride gender issues faith personal and collective history *The Fight with Rome* Justin Dewey Fulton,1889 *The Benedictine Nuns and Kylemore Abbey* Deirdre Raftery,Catherine KilBride,2020-05-15 For one hundred years Kylemore Abbey has been home to the Irish Benedictine nuns whose monastery in Flanders was destroyed during the First World War Known in continental Europe as the Irish Dames of Ypres the community was founded in 1665 and provided education to the daughters of elite Irish Catholics during the penal era On arriving in Connemara in 1920 the Benedictines established a monastery and opened a boarding school This book provides the first fully illustrated account of the Irish Benedictines and their monastery at Kylemore It also charts the fascinating history of the castle built by Mitchell Henry and later home to the Duke and Duchess of Manchester The stunningly beautiful castle became a national landmark in the nineteenth century The twentieth century saw the Benedictines develop the gardens restore the Gothic Chapel and open the castle to the public Meticulously researched with material from the Kylemore archives this book provides a compelling account of a unique part of Irish history while the images capture the life of the nuns and the savage beauty of Kylemore and its surroundings under the Diamond Mountain *The Hand I Fan With* Tina McElroy Ansa,1997-12-29 Bestselling author Tina McElroy Ansa is back with another tale from Mulberry Georgia the richly drawn fictional town and home of the extraordinary Lena McPherson Lena now forty five and tired of being the hand everyone fans with has grown weary of shouldering the town s problems and wants to find a little love and companionship for herself So she and a friend perform a supernatural ritual to conjure up a man for Lena She gets one all right a ghost named Herman who though dead for one hundred years is full of life and all man His love changes Lena s life forever satisfying as never before both her physical and

spiritual needs Filled with the same humor grace and great respect for power of the particular The New York Times Book Review as her previous critically acclaimed novels *Baby of the Family* and *Ugly Ways The Hand I Fan With* is yet another memorable and life affirming tale from one of America s best loved authors The Nun's Rule Richard Poore (successively bp. of Chichester, Salisbury and Durham), James Morton, 1905 **Jackals of Samarra** Benjamin H. Roberts, 2001-01-15 *Jackals of Samarra* was written in the period immediately preceding the Gulf War It was just as contemporary then as it is now as borne out by today s headlines of naval vessels falling victim to terrorist bombs The Gulf region is a perpetual cauldron ready to boil over at a moment s notice The book sets up shop here and uses a scenario of fact and fiction that wends its way back and forth from the Middle East to the West The plot employs surprise military attacks espionage blackmail oil and nuclear weapons to culminate in a gut wrenching unpredictable situation with the Iranians catching the West off guard as the world holds its collective breath Though *Jackals of Samarra* is a work of fiction it comes so uncomfortably close to being real that using a book marker at stopping points might not work too well After reading the last sentence of *Jackals* you might just feel relieved and lucky that it is only fiction Then again you might not See for yourself
