Virtual Team Success Richard

Lepsinger, Darleen DeRosa, 2010-09-09 In today's complex organizations it is not uncommon to have as many as 50 percent of employees working on virtual teams. As the virtual revolution continues to spread, how can companies ensure that virtual team collaboration is producing the desired results? Highly practical and easy to navigate, *Virtual Team Success* leverages the authors' robust global research study and hands-on experience to provide an immediately usable resource for virtual team members and team leaders. This groundbreaking book is a hands-on practical toolkit filled with down-to-earth examples and insights that can enhance the virtual team experience for everyone involved. The authors' research study is one of the most comprehensive applied studies ever conducted on virtual teams, and all of the recommendations outlined are based on these findings, as well as the authors' years of experience helping virtual teams and virtual team leaders effectively lead and collaborate from a distance. To help organizations and leaders enhance virtual team performance, the book includes *Why Virtual Teams Fail*, which outlines the four pitfalls that frequently derail virtual teams; *Profile of High Performing Teams*, which addresses the characteristics of the most effective virtual teams and what makes them successful; *Virtual Team Launch Kit*, which provides practical guidelines and tools for successfully launching virtual teams; *How to RAMP Up Your Team's Effectiveness*, which introduces a practical research-based model of virtual team effectiveness to improve team performance; *Profile of Top Performing Virtual Team Leaders*, which identifies the practices of the most successful virtual team leaders; *Facilitating High Impact Virtual Meetings*, which includes tips and techniques to effectively lead virtual meetings; *Virtual Team Success* also includes practical resources for virtual team leaders, quick reference guides for diagnosing virtual team problems, and six lessons for virtual team success.

Working Virtually: Challenges of Virtual Teams Jones, Robert, Oyung, Rob, Shade Pace, Lise, 2005-04-30

Virtual teams have been used to leverage scarce and distributed resources for many years. Expense reductions, health epidemics, air travel safety, and complex supply chains have only intensified this need. General best practices for leading and participating in virtual teams are well known, but why are there still misconceptions about their effectiveness? What drives the notion that face-to-face is always better? How can groups and individuals take the most advantage of virtual teams through the appropriate use of technology? *Working Virtually: Challenges of Virtual Teams* provides an in-depth practical perspective on the growing dependence of virtual teams and how to best exploit them. Based on years of direct experience in managing and participating in virtual teams, as well as developing solutions to help virtual teams be more effective, the authors have provided unique insight that can be leveraged to help you get the most of your virtual teams.
