

WILLIAM MURRAY.

Wheres Murray Ross

Hania Allen

Wheres Murray Ross:

Where's Murray Ross? Mick Zatarain,1994-10-01 [The New Orleans of Fiction](#) James A. Kaser,2014-07-29 The importance of New Orleans in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians. While databases of bibliographical information on New Orleans centered fiction are available, they are of little use to scholars researching works written before the 1980s. In [The New Orleans of Fiction: A Research Guide](#) James A. Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980. The synopses include plot summaries, names of major characters, and an indication of physical settings. An appendix provides bibliographical information for works dating from 1981 well into the 21st century, while a biographical section provides basic information about the authors, some of whom are obscure and would be difficult to find in other sources. Written to assist researchers in locating works of fiction for analysis, the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies, i.e. class, ethnicity, gender, immigrant experience, and race. The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading, particularly since genre, juvenile, and young adult fiction, as well as literary fiction, are included. [The Family Business](#) Hania Allen,2020-02-06 The third gripping novel in the Polish detective series featuring DI Dania Gorska. In the north of Dundee, DI Dania Gorska is leading the search for a missing girl with the police and volunteers combing the dramatic landscape in hope of finding the child. What they discover in a derelict hut in the hills isn't the girl, but the remains of a body chained to a wall. This body isn't the missing child, but is identified as another young boy, Cameron Affleck, who disappeared many years before in a case that could never be solved. Dania contacts the boy's father, who still spends much time digging around the fields where his son was last seen, in hope of finding his body. Dania begins to unearth the old case, determined to discover Cameron's killer and looking for possible connections to the present-day missing child. But as she digs into the past, she realises that the Affleck family are hiding more than they let on, and that there are some dark secrets that everyone wants to stay buried. Praise for Hania Allen: Nicely nasty in all the right places. The story rattles along until bringing the curtain down with an unnerving twist. Craig Robertson: A fresh new find for crime fans; the plot is intriguing, the characters are well drawn, and the end comes with an unnerving twist. Extremely readable. Sunday Post: Captivating characters and an intriguing plot. A great new find for crime fans. Lin Anderson: Pitch perfect, a witty, tense crime novel written in a highly readable style. Russel D McLean **York University** Michiel Horn,2008-12-11 In [York University: The Way Must Be Tried](#) Michiel Horn weaves archival research and interviews into a compelling narrative documenting the development of an institution committed to helping professors and students reach across disciplinary boundaries. He covers the challenges York has faced through the years, from the 1963 faculty revolt to the troubled search for a successor to founding president Murray Ross, to the budgetary problems that led to the resignation of President David Slater, as well as its many innovations.

and triumphs including bilingualism at Glendon College Osgoode Hall Law School s Parkdale legal clinic and Canada s first concurrent Bachelor of Education program The philosophies that guide the faculties of administrative studies fine arts and environmental studies and the ground breaking research done in science and engineering are explored in detail *LLA Bulletin* Louisiana Library Association,1998 [Baseball and the American Dream](#) Robert Elias,2016-04-15 A fascinating look at how America s favorite sport has both reflected and shaped social economic and **Recasting America** Lary May,1989-01-09 The freshness of the authors approaches is salutary The collection is stimulating and valuable Joan Shelley Rubin *Journal of American History* **The Times-picayune Index** ,1994 **Blacklisted!** Alison Jatlow,2000 *Boys of the Empire* ,1889 **On London Bridge** Julia McNair Wright,1883 **The Highland Call** Paul Green,1941 This is the story of the dreams and fears that shaped the lives of the Scots in the Cape Fear Valley It centers around the life of Flora McDonald friend and protector of Bonnie Prince Charlie who came here in 1774 with her family to seek a peace she had never known in Scotland Originally published in 1941 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **The Writers Directory** ,1990 *Medicine in India* O.
