every book of the Bible has alternative meanings locked into them to put our Lord's wisdom into our hearts while standing in its power timelessly. These do not negate nor diminish the obvious and literal meaning of the words of that book but are revelations into parallel meanings revealed only through the Holy Spirit much as Jesus did when speaking in parables or applying ancient Scripture to His time on earth. The book of Isaiah is a powerful Word which applied to the chosen people of that time to the chosen people today to the Gentile church of Jesus Christ and to the nations of ancient times and these present times which we are witnessing being brought low against the precepts of God by some of their leaders. It is up to the true Christian church in every nation to stand in obedience to our Lord as the people of God worldwide join hands in the Holy Spirit and obey Him. It is my prayer that these messages will open the heart doors of God's peculiar people, the true church, each individual of which is chosen to be a spiritual leader in the true body of Christ in the homes, communities, and nations of the world through the power of the Holy Spirit for such a time as this.

The Color of Prophecy Nahum HaLevi, 2012. This book is a unified artistic literary interpretive commentary on the Latter Prophets, Nevi'im Acharonim section of the Hebrew Bible. It attempts to express the ecstatic poetic narrative and mind-altering visions of the Hebrew Prophets in a distinctly Jewish midrashic yet unique manner, deriving multiple visionary images from multiple translations of the original Hebrew text and then retranslating the derived fused images back into a fresh literary biblical analysis. Introduction, p. xix.

The Vision of the Prophet Isaiah A. Joseph Everson, 2019-02-27. Come, let us walk in the light of the Lord. Isaiah's words are deeply loved by many who attend Sunday services. But how many can say that they have actually read this book? This commentary invites you to read Isaiah from the era when it reached its sixty-six chapter form and came to be part of Israel's sacred writings. Three memories helped to give shape to the Isaiah scroll. The first memory is of the destruction of Jerusalem in 587 BCE. How could God have allowed that to happen? The opening section of the scroll addresses that question. The second memory involves the fall of Babylon after 562 BCE. People, nations, and even empires rise and fall. The second section of the scroll addresses war and the sorrows of war. The third memory is of Cyrus of Persia, who allowed the exiles to return home after 539 BCE. His actions are presupposed not just in the joyful poetry of the latter chapters of the scroll but also in the confidence in God's love that runs through the entire scroll. God is the Lord of all nations and of all creation. Isaiah is a theological interpretation of past history. It is a passionate call for people to live with integrity, compassion, and hope. Joe Everson's scholarship and experience as a teacher of Scripture are on display in his new study of the book of Isaiah. This synchronic reading, as he describes it, provides reliable historical, theological, and literary perspectives on the full book of Isaiah. This commentary is a clear and accessible guide for Bible students and curious readers alike. Scott Tunseth, General Editor, Fortress Press. The strengths of this work are obvious. This is a unified reading of the book of Isaiah that is not uncritical. Full attention is given to the historical context in the post-exilic era and how the message of the book interacts with that. The interpretive comment is succinct to the point and well presented. The integration of a translation and comment is
