

Abercrombie, JOHN (1780-1844), Scottish physician, was born at Aberdeen, a parish minister's son. He studied and practised medicine in Edinburgh; and after the death (in 1821) of the celebrated Dr Gregory, was recognised as the first successful physician in Scotland. He wrote on the catarrhs of the brain and on diseases of the stomach, but he is best known by his *Satellites* (1797) and *Morbid Feelings* (1833).

Abercrombie, JASCELLES, born 15th January 1881, was educated at Malvern, Worcester University, became lecturer in poetry in Liverpool University in 1919, professor of English at Leeds in 1922. Besides studies of Thomas Hardy, the epic, *Theory of Art* (1922), *The Theory of Poetry* (1924), and *The Idea of Great Poetry* (1925), he published *Interludes and Poems* (1908), *Mary and the Bramble* (1910), *Deborah* (blank-verse drama, 1913), and *Short Plays* (1922), which quickly established his name as a poet with metaphysical leanings.

Abercromby, SIR RALPH, was born at Monstrie, Clackmannanshire, 7th October 1734. Destined for the Scottish bar, he was educated at Rugby, and then from 1752 to 1755 studied law at Edinburgh and Leipzig. But having in 1756 obtained a cornetcy in the 3d Dragoon Guards, he two years later saw some active service in the Seven Years' War. From 1774 to 1780 he represented Clackmannanshire in parliament; and in 1780 raised a regiment in Ireland, the 103d, or King's Irish. In 1793 he accompanied the Duke of York to Holland. His conduct throughout that unfortunate campaign, especially during the disastrous retreat in the winter of 1794-5, won him the love and admiration of the whole army. On his return to England, he was made a Knight of the Bath, and was appointed to the chief command of the West Indies Expedition, which he conducted with distinguished success. In 1797 he was sent to command the forces in Ireland; but his policy, and mainly remonstrances against the government towards that country, led to his removal to a similar command in Sicily. In 1799 he was second in command to Lord Cornwallis in the other unhappy expedition to Holland. On his return, he received the command of the expedition to the Mediterranean. The fleet anchored in Aboukir Bay on 2d March 1801; and before mid-day of the 8th, the British ships were in possession of the sand-hills facing the French camp, having landed in the face of the storm of shot. On the morning of the 14th the British camp. He found them ready, under arms. In the glorious action that ensued, Abercromby was struck by a musket-ball in the thigh, but not till the battle was won did he show any sign of pain. The ball could not be extracted, and artificial means ensued; and on the 28th he died of the wound. A monument was erected to him in the church of St Andrew, conferred on his widow, and a pension was granted to his eldest son, with the title of Viscount Abercromby. —His third son, JAMES (1766-1838), entered parliament in 1807, held the office of speaker of the House of Commons, and was then created Baron Danfermline. He was author of a *Memoir of the last eight years of his father's life* (1861).

Aberdare, ABERDARE, a town and parish of Glamorgan, of Merthyr-Tydfil, and Aberdare, Glamorgan, pop. 55,000.

Aberdare, HENRY AUSTIN BUTTS, 1st Baron (1815-95), born at Dyrnys, Glamorgan, was Home Secretary (1875-77) and President of the Council (1873-74), and received a peerage (1873). After him as President of the Royal Geographical Society the Aberdare Range in Africa was named.

Aberdeen, the chief city and seaport in the north of Scotland, is 98 miles N.N.E. of Edinburgh as the crow flies, and 528 N.W. of London. (The distances by rail are rather longer.) The burgh, which lies at the mouth of the Don—the Don being 12 miles north of it—was founded somewhere about the 7th or 8th century. It is said to have been founded by a Scot, who fled from the Danes, and to have been named after his own country, with the right of foreign trade granted to him by David I. (1124-53). The burgh was incorporated as a burgh (i.e. as a town), to whom the mother-church of the city was dedicated, and it still bears his name. The figure of the patron saint is on the high seal, or coat of arms, of the burgh. Old Aberdeen (the name of the burgh) is now in the possession of the Corporation of Aberdeen. It is a burgh of barony, and has a high seal, or coat of arms, of its own, which is the same as that of the burgh of Aberdeen. It is a burgh of barony, and has a high seal, or coat of arms, of its own, which is the same as that of the burgh of Aberdeen.

Aberdeen is notable for its historical associations, for its educational record, its commercial enterprise, and its aspect as a city. The castle of Aberdeen, that stood on what is known still as the Castlehill, and was held by an English garrison for Edward I., was stormed by the forces of Robert the Bruce in 1308, and was then demolished. The hexagonal arched Market Cross (successor of an earlier one) was erected in 1685, and the Market Cross of Edinburgh (see above) which Sir Walter Scott so lamented in his novel, is now the finest historical monument in Scotland, distinguished in particular by its central design, its central sculpture, and its central medallion portraits of the four quarters of the kingdom, the Irish. The cathedral, dedicated to St Machar, is the only granite cathedral in the British Isles. The Bridge of Balgownie, near the cathedral, is the only structure of its kind in the country, is one of the most beautiful in the world, and is used for the carriage of mail by the Glasgow and Aberdeen Railway. It was built by Gavin Hamilton in 1720, and is a fine specimen of the architecture of the 18th century.

The city has over thirty public and secondary schools, all fully and keenly in use. The trade of Aberdeen has been of consequence since the 13th century. As the records of the accounts of Edward I. show, part of the provisions of the English armies that invaded Scotland consisted of provisions from Aberdeen. The city has a varied and extensive trade, and is the largest fish supply centre in the British Isles. Its granite trade has been the largest since the later part of the 18th century. The city has a varied and extensive trade, and is the largest fish supply centre in the British Isles. Its granite trade has been the largest since the later part of the 18th century. When You Fly Introduction

In the digital age, access to information has become easier than ever before. The ability to download When You Fly has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download When You Fly has opened up a world of possibilities. Downloading When You Fly provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading When You Fly has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download When You Fly. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading When You Fly. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading When You Fly, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download When You Fly has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

FAQs About When You Fly Books

What is a When You Fly PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a When You Fly PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a When You Fly PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a When You Fly PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a When You Fly PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
