Griffin,Cordelia D. Zinskie,2021-08-31 This book explores the impact of social media on education focusing on youth college students professional development higher education and social justice It offers recommendations for integrating social media into teaching and learning advocating for educational and societal change through professional interaction Public Discourse and the Fashion Industry Natalia Berger,2026-02-24 This book explores what happens when fashion discourse migrates from specialised media to mainstream newspapers

Analysis of 2 263 texts across five Dutch and international case studies animal welfare disability repair practices smart wearables and metaverse fashion demonstrates systematic reversal instead of creating desire it provokes aversion instead of fostering inclusion it reinforces marginalisation instead of encouraging creativity it stokes speculative investment appetites Drawing on Barthes s semiology of fashion Foucault s discourse theory and Lotman s concept of the semiosphere the book introduces critical discursive matrix analysis as a method for examining fashion at its periphery The findings reveal that when fashion intersects with social issues in mainstream media it becomes colonised by other discursive systems medical civic technology and financial while fashion industry voices retreat replaced by NGOs activists and technology companies pursuing non fashion agendas The volume provides insights into why sustainability efforts fail despite awareness how media representation shapes consumer behaviour and why fashion discourse cannot evolve within its commercial framework Public Discourse and the Fashion Industry will engage a diverse audience including fashion studies scholars discourse analysts media researchers sustainability practitioners policymakers fashion industry strategists and communication specialists
