## Void Captains Tale:

**The Void Captain's Tale** Norman Spinrad, 2011-09-29 Welcome aboard the sex drive void ship Captain Genro commands the giant spaceship Dragon Zephyr on board are ten thousand passengers in electrocoma a smaller number of conscious passengers eagerly utilising the ship's dream chambers and a Pilot In the context of space travel the Pilot is merely a biological component in the machine Always a woman her function is to launch the ship into the Jump by means of a cosmic orgasm She is a pariah shunned by all Void Captain Genro should never even have spoken to his Pilot let alone tried to embark on a relationship with her When he did so the result was every space traveller's nightmare A Blind Jump into the Void

Terminal Identity Scott Bukatman, 1993 Scott Bukatman's Terminal Identity referring to both the site of the termination of the conventional subject and the birth of a new subjectivity constructed at the computer terminal or television screen puts to rest any lingering doubts of the significance of science fiction in contemporary cultural studies Demonstrating a comprehensive knowledge both of the history of science fiction narrative from its earliest origins and of cultural theory and philosophy Bukatman redefines the nature of human identity in the Information Age Drawing on a wide range of contemporary theories of the postmodern including Fredric Jameson Donna Haraway and Jean Baudrillard Bukatman begins with the proposition that Western culture is suffering a crisis brought on by advanced electronic technologies Then in a series of chapters richly supported by analyses of literary texts visual arts film video television comics computer games and graphics Bukatman takes the reader on an odyssey that traces the postmodern subject from its current crisis through its close encounters with technology and finally to new self recognition This new virtual subject as Bukatman defines it situates the human and the technological as coexistent codependent and mutually defining Synthesizing the most provocative theories of postmodern culture with a truly encyclopedic treatment of the relevant media this volume sets a new standard in the study of science fiction a category that itself may be redefined in light of this work Bukatman not only offers the most detailed map to date of the intellectual terrain of postmodern technology studies he arrives at new frontiers providing a propitious launching point for further inquiries into the relationship of electronic technology and culture *Complete Critical*
