The Magic Word Sherrill S. Cannon, 2011-05-12 This is a rhyming tale about a little girl who needs to learn how to be polite. The Magic Word is one that everyone needs to learn. Elisabeth Keys never said thank you, excuse me, or please. She made fun of people, she'd argue and tease. She took what she wanted whenever she could. Elisabeth's manners were not very good. So begins the rhymed story of Elisabeth, who discovers her lack of friends when no one wants to come to her birthday party.

Magic Words Tim David, 2014-12-02 Years of experience as a magician taught Tim David that real magic is all about words and the way they influence the minds of the audience. What sets a professional magician apart from an amateur are people skills like communication, influence, and engagement skills that are also effective in the workplace. By applying seven magic words in a business setting, David offers tools for effective and persuasive communication. You will learn: The secret word that Harvard psychologists discovered is the key to unlocking human motivation. How one very special word spoken only inside your mind mysteriously has a profound positive impact on those around you. The number one mistake that managers make during 1-on-1s and the one simple word that can fix it all. What Dale Carnegie dubs the sweetest sound in any language. How one tiny word can instantly change someone's mind for the better. The single word that an in-depth study of thousands of hours of call center recordings revealed as the quickest way to reduce differences and calm people down. How the infamous But-Eraser works and why so many people mess it up. **THE REAL**
