Anne Fadiman, author of *The Spirit Catches You and You Fall Down*. In the fall of 2001, deep in the jungle of Burma, a team of scientists searches for rare snakes. They are led by Dr. Joe Slowinski, at 38, already one of the most brilliant biologists of our time. It is the most ambitious scientific expedition ever mounted into this remote region, brought to a dramatic halt by the bite of the many-banded krait, the deadliest serpent in Asia. Thus begins one of the most remarkable wilderness rescue attempts of modern times.

In *The Snake Charmer*, renowned journalist and author Jamie James captures the life and death of the fascinating and charismatic Joe Slowinski, a man whose career was fast and exciting and whose tragic final expedition became a pulse-pounding struggle between man and nature.

An Analysis of The Snake Charmer by Henri Rousseau Steven Darryl Lotz, 1964. *Snakes in Question, Second Edition* George R. Zug, Carl H. Ernst, 2015-03-10. This new edition of *Snakes in Question* has been completely updated to take into account the most recent research available, offering useful scientific information about snakes while dispelling many widely circulated myths and common fears. Accompanied by 100 stunning color photographs and written in the popular question and answer format of Smithsonian's *In Question* series, the book tells how snakes breathe, hear, smell, and much more. It covers not only the life cycle of snakes but also explores such phenomena as the rattlesnake's rattle, the viper's hiss, and the snake charmer's secrets. It addresses common folktales about snakes, do snakes milk cows, and describes giant snakes, both real and imaginary. The authors also give expert advice on such subjects as distinguishing

venomous species from harmless look alike and keeping snakes as pets *The House Of Serpents* Sahu,Dharanidhar,1996

When a young man dies under mysterious circumstances in a magnificent but shambling old castle suspicion naturally devolves on a young couple whose attraction for each other appears to flout all decorum But as the search for truth leads the criminally suspect protagonist to question the author the boundaries of fiction and reality of human society and personal identity and of the nature and limits of sexuality and pleasure are blithely crossed and extended The narrative displays a profoundly Indian sensibility while playfully exposing the various contradictions and tensions inherent in its various aspects Thus antique and modern rational and supernatural philosophical and farcial erotic and exotic are here combined and sustained by the powerful central metaphor of the Serpent This extraordinary novel achieves a rare blend of passion and intellect that defies literary categorisation but relentlessly carries the reader on its own impetuous quest
