Proceedings of the Fifth Sriwijaya University Learning and Education International Conference (SULE-IC 2022) Meilinda, Jeri Araiku, Saparini, Meryansumayeka, Elika Kurniadi, Weni Dwi Pratiwi, Dedi Kurniawan, Dian Eka Amrina, Muhammad Akbar Budiman, 2023-03-07 This is an open access book The 5th Sriwijaya University Learning and Education International Conference 5th SULE IC 2022 was held on October 5, 2022 in Palembang, South Sumatra, Indonesia. Palembang is a historic city located on the island of Sumatra. It was the capital of the Empire of Sriwijaya. During the glory of the Empire, it was one of the major learning centers in Asia. To continue the legacy of the Empire's spirit of learning, the conference will once more be the gathering for academicians and professionals from education and related fields all over the world to share ideas and innovations. The main goal of the 2022 SULE IC is to provide an opportunity for academicians and professionals from various education-related fields from all over the world to come together and learn from each other. Furthermore, the additional goal is to provide a place for academicians and professionals with disciplinary interests related to education to meet and interact with members inside and outside their own particular disciplines

Imagining Medieval English Tim William Machan, 2016-01-25 *Imagining Medieval English* is concerned with how we think about language and simply through the process of thinking about it give substance to an array of phenomena including grammar, usage, variation, change, regional dialects, sociolects, registers, periodization, and even language itself. Leading scholars in the field explore conventional conceptualizations of medieval English and consider possible alternatives and their implications for cultural as well as linguistic history. They explore not only the language's structural traits but also the sociolinguistic and theoretical expectations that frame them and make them real. Spanning the period from 500 to 1500 and drawing on a wide range of examples, the chapters discuss topics such as medieval multilingualism, colloquial medieval English, standard and regional varieties, and the post-medieval reception of Old and Middle English. Together, they argue that what medieval English is depends in part on who's looking at it, how, when, and why.
