Snarling Citizen

Susan Tolchin

Snarling Citizen:

The Snarling Citizen Barbara Ehrenreich, 2000-06-15 There are no pieties liberal or conservative in Ehrenreich's world. Fiercely funny and militantly uncompromising, The Snarling Citizen contains something to offend almost everyone from Rush Limbaugh to Hillary Clinton and something to delight everyone who believes humans are worth saving after all.

The Snarling Citizen Barbara Ehrenreich, 1995 In this collection of essays her first since the best-selling The Worst Years of Our Lives, Barbara Ehrenreich delves into the soul of the 1990s in search of the American zeitgeist after The Decade of Greed. What she finds is a sour passivity. Only a homicidal car rental spokesman or penis-severing small-town manicurist can induce a brief outbreak of giddiness. The youthful pumped-up look has given way to menopause chic, and our biggest hope for a national health program is that it will provide coverage for Dr. Jack Kevorkian's services. Even channel surfing may have to be automated soon if the current listlessness continues.

The Angry American Susan Tolchin, 2018-07-03 The Clinton scandals, The Rise of militia and patriot groups, The proliferation of trash TV, Record U.S. trade deficits, Isolated events or is there some connecting thread? Susan Tolchin says it's anger, mainstream inclusive legitimate public anger, and it's not going to vanish until we as a polity acknowledge it and harness its power. How to tap into this pervasive political anger and release its creative energy without being swept away by its force is the dilemma of the 1990s for government leaders and citizens alike. The second edition of this acclaimed volume has been completed, revised, and updated to account for the ways in which recent events have contributed to the history, causes, and consequences of anger in American politics today. The book embraces positive solutions to problems we are all entitled to be angry about: economic uncertainty, cultural divisiveness, political disintegration, and a world changing faster than our ability to assimilate. Tolchin's solutions incorporate a renewed sense of community, enhanced political access, and responsive rather than reactive government.
