

So Be It

David P. Garty

So Be It:

So be it ... Latika Tripathi,2009 We are all born complete and yet go about trying to find ourselves with that elusive thing we think we lack while all along it lies within us We are all born complete and yet go about trying to find ourselves with that elusive thing we think we lack while all along it lies within us This is the real life journey of an Indian woman who from being a wild child goes on to resolving her identity crisis and finding herself in the most unusual ways by comparing seeking clinging withdrawing and eventually shining through thawing and emerging in her true avatar For her life begins at forty

So Be It David P. Garty,2022-08-05 When God asked David how he was doing he answered that he didn't have any hope for change A head on collision with a semi put David into a coma But God had another plan Walking out of the hospital a new man he now attempts to share his life as a testimony of the power available to us through Jesus Christ **If You Regret It, So Be It I Wish You The Best With The Saint You've Chosen** Yukina Sakurai, Won't you have any regrets about breaking off our engagement Lady Daisy the Marquess daughter is engaged to Prince Freddie and works hard to become the future queen One day Freddie catches an unknown disease Aside of Daisy's desperate nursing and praying a saint named Lula comes and saves Freddie Freddie falls in love with the saint and starts saying that he has found true love He easily dumps Daisy and becomes engaged to Lula Once her engagement is broken Daisy's story of fate begins This is a story of reclaiming one's life and destiny triggered by a broken engagement So be it, at this moment DAVY D. RUB,2025-06-15 Throughout the history of humanity the lower classes have always considered God and nature as enemies The theme of the novel *So be it at this moment* he exposes it with extreme crudeness **Conversation with Angels** Dror B. Ashuah,2020-01-31 The Angels Say Your mission is to be who you are to know who you are and to vibrate at your highest potential When you do you are the most magnificent lighthouse and even though the storm around you surges and the wind is blowing your light is making all the difference to those who are seeking You are in the midst of a change of energy and it is intensifying You are coming into a new energy It is the energy of change for the entire planetary consciousness and all of you will have to adjust to the new tune The tune that is being introduced to you is the one of unity consciousness It is the tune that delivers to you the frequency of the New Sun It is your time to choose as all of you will face the dilemma of light or dark separation or unity We are your messengers reminding you of what you already know We are here to remind you that you are indeed loved that you are family and to remind you that there is never a judgment on how far you reach You are light and you are eternal We wish you to realize that everything you see around you was created for you so you can move to where you are standing now We wish you to take one more step forward so you can remember who you are and remind others who they are We wish you to know that you are a part of God and so be it **Be it Ever So Humble ...?** ,1983 **Genesis Earth** George Dell,2023-09-13 Since I cannot trust you to speak on your own behalf shall I call forward the Defender The creature's green eyes flew open wide as it violently tossed its misshapen head from side to side But you have left me no choice my old enemy the older man

said softly you have in fact never been able to speak without obscenities fouling your lips have you The man creature did not reply It simply stood and glared at the older man standing before it Bring forth the Defender and the Protector the older man called out in a strong loud voice as he gazed out into the desert Ira heard the sound of hooves approaching from the darkness as the still desert night parted and two splendid riders appeared atop their rearing and prancing mounts They brought the two steeds under control and both riders waited just beyond the three men until they were summoned forward Who would defend this foul beast the older man asked of the two riders I would and I would that I may also speak freely for him my Lord one rider replied as his mount pranced into the midst of the three The ebony steed snorted fire and steam from its flaring nostrils as the black armored rider spoke So be it the older man proclaimed softly into the stillness of the desert night And I will grant the right to speak freely to you but not this filth he continued as he pointed at the man creature that still stood glaring in the cold moonlight that fell upon the strange assemblage Who would stand for the chosen and protect their eyes from this blaspheme the older man called out I would the other rider said as his magnificent pale steed moved into the forming circle His beauty filled face shone with an inner light Long blond curls framed the rugged face and shining jewels seemingly embedded in his armor shone in the cold light He withdrew a long golden sword from a sheath at his side and plunged it into the sands between himself and the dark rider who now stood with the foul smelling man creature to one side I would draw the line that none shall pass he exclaimed as the sword quivered in the sand So be it Michael the older man said in a soft voice so it shall be The older man turned to the man creature Of what do you wish to speak he asked He would only that you would abide by what had been agreed upon in the before time the dark rider replied He would simply that and nothing more The rider bowed toward the older man as he finished speaking Michael the older man questioned turning towards the blonde hared young man atop the magnificent pale steed We are ready my Lord the powerfully muscled young man replied The older man took his chin into his hand and stroked it as he narrowed his eyes and looked back at the dark rider with the man standing beside him So it shall be he said softly you may begin But remember thou this I will abide it but for a short time and I will take my own unto me Only those that choose the dark rider said in a softly mocking voice Yes but harbor no false illusions the older man replied Many will choose He paused and then continued Three score shall it be then he said through a small smile No more No less None shall be allowed to enter in nor pass the line within the sand except those who would invite everlasting death **And So Live Ever** ,2006 So They Say Robert H. Mounce,2014-09-30 A good quotation states an insight so shrewdly that not only do you get it but you can t seem to forget it It loves to make you slow down and savor truth These neat little extended metaphors deserve to be heard examined and challenged Quotations present truth in capsule form Many reflect the wisdom of earlier times others bring insights that are fresh and contemporary Some support the status quo others challenge it So They Say is a collection of more than seventy quotes along with author Robert Mounce s reflections on how they relate to the real world This interaction turns out to be a battle of worldviews for as

Mounce explains he could never embrace philosophical materialism because his experience of reality demands something outside of stuff he wants to know where the DNA of the very first living cell came from and he dissects each quotation accordingly By approaching each quotation from this supernaturalist point of view Mounce's *So They Say* invites you to read, reflect and enjoy the journey *Because I Said So #Mom* Wild Pages Press, 2017-11-17 Designer Notebook Interior 150 lined pages Size 6x9 Glossy softcover Perfect for everyday use Perfectly spaced between lines to allow plenty of room to write Wild Pages Press are publishers of unique journals school exercise books college or university lecture pads memo books notebooks journals and travel journals that are a little bit quirky and different Stunning covers sturdy for everyday use Great quality we offer thousands upon thousands of different designs to choose from Our quality products make amazing gifts perfect for any special occasion or for a bit of luxury for everyday use Our products are so versatile they come in a wide range be it the perfect travel companion or a stylish lecture pad for college or university cool exercise book for school comprehensive notebook for work or as a journal the perfect family heirloom to be treasured for years to come Our quality products are made in the USA and competitively priced so they can be enjoyed by everyone Som Tyme this World was So Stedfast and Stable Guillaume de Machaut, The Gift of You Ezequiel Stelzer, 2017-09-08 Do you ever wonder what you're meant to do Why exactly you're here and why you are you We have all been created to live love and play we were born to enjoy every single day You were chosen to be born exactly when and where and you came with so many wonderful gifts to share You have something to offer the world all your own something precious and special that's yours alone No one walks just your path as they live out each day No one else sees the world in quite the same way No one else's eyes have exactly your gleam And nobody else can realize your dreams To make your dreams real here is what you must do Just be yourself That's right just be you Your soul is gentle your heart is kind You have an amazing creative mind There are so many things you are able to do and you do them so well just because you are you Don't worry if you make mistakes on the way Everyone does It will all be okay When you're tired or sad it's hard not to be led by some of the thoughts that pop into your head When things go wrong and life gets tough You might think I'm not good enough Well that's just a thought It's not who you are You are one of a kind and you shine like a star You are more than enough and you're worthy of love So be kind to yourself and you'll rise above those ridiculous thoughts that just aren't true The world is better because you are you When you're smiling or crying at school or at play take a moment to love yourself every day Whatever each day or each moment may bring always remember this one true thing You are lovable now and you will be forever Never forget that never ever ever When you love yourself you can do your best Each day will be filled with more joy and more zest And other people You'll love them too They're doing the best they can just like you You'll see life as a gift each challenge and pleasure all of them are gifts for you to treasure Not only that but you're a gift too The world is better because you are you So remember how truly amazing you are That's the most important thing by far There's no doubt about it Don't say Yes but Just love yourself no matter what You have

Happiness wonder and love await you When you know you re a gift Believe it It s true **So the Shadows Fall** Michayla
Roth,2014-11-15 I have known darkness and void my entire life and they have given me nothing Now that I have seen a spark
of light I cannot again return to the shadows They fall around me and they all reveal what I have sought after without
knowing what I sought They reveal hope to me Birthed of the shadows and destined for a life of darkness Shiloh has been
bred for one purpose only that of destroying the world Her path is a lonely and bloody one as she sets out to fulfill the ancient
prophecy which foretold her coming But her task is not to go unhindered There is another player spoken of in the prophecy
and his quest is to thwart hers Across the isle of Kithara they race she leaving a trail of blood in her wake he doing all he can
to stop her at every point Traps are laid and escaped spells are cast and unraveled Darkness looms light flickers but it does
not go out Instead it grows Even in the black and bleak corners of Shiloh s own heart it grows The dark powers that have
controlled her for so long however will not be easily cast aside Darkness struggles against light and the world hangs in the
balance A prequel to Still the Candle Burns
