inequality and racial unrest each and every day The summer of 1970 was immensely educational for all who experienced it The Vietnam War the civil rights movements Black Panthers a long dreary recession with high unemployment all explained through the voices of white and Black kids and adults who were there in New Bedford Massachusetts living through it and navigating the ebbs and flows of their daily lives In the middle of it all a 17 year old Cape Verdean kid standing outside a club in the city s West End during a period of unrest was gunned down by three white kids from the suburbs They didn t even know him To top it off they were all acquitted at trial despite the fact that the guy who shot the gun confessed to it The book tells a fascinating story of inequality race and politics that can help us understand the struggles that we are still going through today as we try to understand and reconcile our differences and treat everyone as equals Anyone interested in the issue of race and racism in America today should read this story Gerry Kavanaugh is the Senior Vice Chancellor at the University of Massachusetts Dartmouth He was the Chief of Staff to Senator Edward M Kennedy in Washington DC and now lives in New Bedford with his wife Colleen
