HARRISON Once his fortune in silver mining is secured, Harrison Carter finally sends back home for his fiancé. It's been four years since he's seen Jenny. But it's Retta Pearce, Jenny's sister, who arrives by stagecoach with young daughter Adeline in tow. When this lovely soiled dove brings devastating news and a written plea from Jenny to marry and care for Retta and little Addie, what's a good man to do? RETTA Fulfilling her dying sister's request, Retta travels across dangerous territory to marry a man she barely remembers. But the hard miner who meets her at the stagecoach surely isn't the same one her sister claimed was kind and honorable, a gentleman who'll embrace her and her daughter as if they were his own. Has she made a mistake she'll pay for the rest of her life?

TWO PEOPLE Thrown together in shared sorrow, Harrison and Retta struggle to forge a life in the brand new state of late nineteenth century Colorado. [The Counterfeit Wife](#) James Gerald Dunton, 1930

Some issues include separately paged sections: Better management, Physical theatre, extra profits, Review, Servisection. *Domestic Discipline* Wolfram Steffen, 2025-09-24

Domestic Discipline is a relatively new movement and yet it is based on age-old principles and behaviors. A fundamental insight is that men and women are anything but the same. Quite the opposite even: the brain structures look completely different and as any unbiased observer knows, a woman thinks, feels, and perceives completely differently to a man. Nature intended it that way and several thousand years of human history are proof of this. No ideologically motivated gender scientist will be able to change this. Domestic discipline makes the man the leader, the decision maker, and somehow also the ruler over the woman. This has nothing to do with

chauvinism It is simply biology Men have ruled over women since the cave age They have determined history while women have remained a marginal phenomenon They simply have the genetic prerequisites for their leadership role no matter how the emancipists see it This book defines the philosophy behind the Domestic Discipline movement It shows what it stands for and what it is not And it uses numerous detailed real life stories to illustrate the role of disciplining women Because that s exactly what it s about the dominance of men over women that is dictated by nature About his right to decide and determine to punish and dominate A right of strength that has proven itself for thousands of years and which even a few green and red dream dancers will not change
