cobblestone streets That is until Alfred Ely Beach had the idea for a fan powered train that would travel underground On February 26 1870 after fifty eight days of drilling and painting and plastering Beach unveiled his masterpiece and throngs of visitors took turns swooshing down the track The Secret Subway will wow readers just as Beach s underground train wowed riders over a century ago A New York Public Library Best Book for Kids 2016   Under the Sidewalks of New York Brian J. Cudahy,1995 But as it is in no other city on earth the subway of New York is intimately woven into the fabric and identity of the city itself   The Absolute Beginner's Guide to the New York Subway Minh T. Nguyen,2013-11-05 The most convenient way to travel in New York City is by subway but many first time tourists and even locals find the complexity of the system intimidating and confusing Whether you are a first time visitor or have struggled to use the subway in the past this guide is for you This book makes absolutely no assumptions about what you know about taking public transportation in New York Illustrated with more than 70 pictures and figures this detailed guide breaks down everything you need to know about using the subway Filled with detailed information and many pictures this guide will alleviate your fear and confusion about taking the subway and allow you to navigate it confidently and effectively What this guide includes A step by step guide on how to use the subway Dealing with weekend and weeknight service changes 70 pictures and figures allowing you to visually understand the system Tips tricks and subway etiquette Getting from New York s three major airports into Manhattan   The New York Subways Lesley A. DuTemple,2002-10-01 Traces the history of the underground transportation system in New York City discussing the politics involved how it was financed the men who built it and the construction techniques   **722 Miles** Clifton Hood,2004-08-23 When it first opened on October 27 1904 the New York City subway ran twenty two miles from City Hall to 145th Street and Lenox Avenue the longest stretch ever built at one time From that initial route through the completion of the IND or Independent Subway line in the 1940s the subway grew to cover 722 miles long enough to reach from New York to Chicago In this definitive history Clifton Hood traces the complex and fascinating story of the New York City subway system one of the urban engineering marvels of the twentieth century For the subway s centennial the author supplies a new foreward explaining that now after a century we can see more clearly than ever that this rapid transit system is among the twentieth century s greatest urban achievements   *My Subway Ride* Paul DuBois Jacobs,Jennifer Swender,2004-08-18 Relates the sights and sounds of a subway ride through the boroughs of New York City   Subway John E. Morris,2020-10-06 This dynamic visual history of the world s largest transit system in all its intriguing colorful and even seedy glory is packed with fascinating facts and hundreds of compelling photographs When the first New York subway line opened in 1904 it was the most advanced in the world and a source of enormous civic pride Today it is an essential function to the lives of New Yorkers and a perennial cultural touchstone To be a New Yorker is to take the train To celebrate it or grumble about it Subway The History Curiosities and Secrets of the New York City Transit System by John E Morris is both a vivid history of this great transportation system and an exploration of its impact on the city and popular culture The book

covers every remarkable moment from the technical obstacles and corruption that impeded plans for an underground rail line in the 1800s to the current state of the system and plans for the future profiles of the colorful forgotten characters who built and restored the subway graphics and imagery showing the evolution of subway cars and the way fares are collected how subway etiquette rules have evolved with society great subway chase scenes and songs about the subway a look at abandoned stations and half built tunnels and more In this visually stunning work packed with original research journalist and bestselling author John Morris brings life to this one time engineering marvel that has united and expanded the city for the last 116 years **Subway City** Michael W. Brooks,1997 Traces the development of the subway from its inception to its decline as an overcrowded and dangerous part of city life Explores how it has been represented in film and art Gives women s experiences of the subway Examines the city s racial tensions Skyscapers Spatial layout of the city Urban space New York City Subways Tom Range,2002 New York City Subways traces the history of mass transportation in Manhattan and New York City s outer boroughs Public transportation has long been vital to the city with horse drawn surface lines established by 1831 and elevated railroad lines constructed during the 1870s and 1880s The concept of subways railroads operating underground originated in London in 1863 and was applied to New York City by 1904 This collection of vintage postcards brings you through the tunnels of the subway onto the platforms of the long gone els and examines New York s renowned terminals especially Grand Central and Penn Station **Subway** Larry Dane Brimner,2004 A history of the early subways
