Theres Nothing To Do:

There's Nothing Louder Than Dead Air Bob "The Blade" Robinson,2012-05 You ll love how Bob the Blade Robinson stuck it to the man You ll learn how schizophrenia isn t all that bad What is the GREATEST guitar solo in rock Who is the real King of Rock N Roll How can you live on 8k a year You can t But you can feed your head for that much The new tell all from a rock radio vet of 30 years The first real read about the sheer lunacy of the rock business There was no other business is like it

There's Nothing There, But Nothing Is Really Something Andrew Fletcher,2018-03-17 There s nothing there Kind of a wild claim I m not going to give it away here in the introduction Then you wouldn t have to read the book It seemed like a reasonable assumption for everyone to make that there was actually something there I mean you could see it The sun The moon The planets Their moons Other stars The Milky Way Eventually other galaxies Lots and lots of galaxies Gazillions And back here on Earth all kinds of things Flowers Rainbows Laughing children Young love Plus wars and genocides and tsunamis and lava flow and zits Reality shows The Kardashians There was clearly something there Turns out not so much Everything you think is there is not really there the way that you think it should be Do all the scientists agree with that observation Turns out pretty much So what do all the scientists think is actually there Now that s where it gets interesting You ll enjoy this

What If There's Nothing Wrong? Alison J. Kay,2012-11 Have you been feeling like life has become less reliable and stable Are you looking for more hope health and calm in your life You re not alone There are external factors causing these feelings You will be completely unable to remain the same as this book weaves you through the world as we have known it into a world where anything is possible No stone is left unturned through this thoroughly researched exploration of mostly unexamined factors inherent to Western society that set us up to feel more uncomfortable at this time in the West particularly in the U S as we undergo a macroshift globally Written at the tail end of her ten years living and working in Asia to understand why it seems now that we re less equipped to create vibrantly healthy happy lives in the West Alison J Kay Phd documents an eye opening sometimes humorous sometimes raw contrast of modern globalized Western culture with Asian Feel the freedom as she gently guides you to more ease
